Logitech Pebble 2 Combo Wireless Keyboard and Mouse User Manual

Model: 920-012415

Brand: Logitech

INTRODUCTION

The Logitech Pebble 2 Combo offers a slim, quiet, and portable wireless keyboard and mouse solution. Designed for multi-device compatibility, it allows seamless switching between up to three devices across various operating systems. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your new device.

SETUP

Unboxing and Initial Setup

Your Logitech Pebble 2 Combo includes the Pebble Keys 2 K380s keyboard, Pebble Mouse 2 M350s mouse, and pre-installed AA batteries.

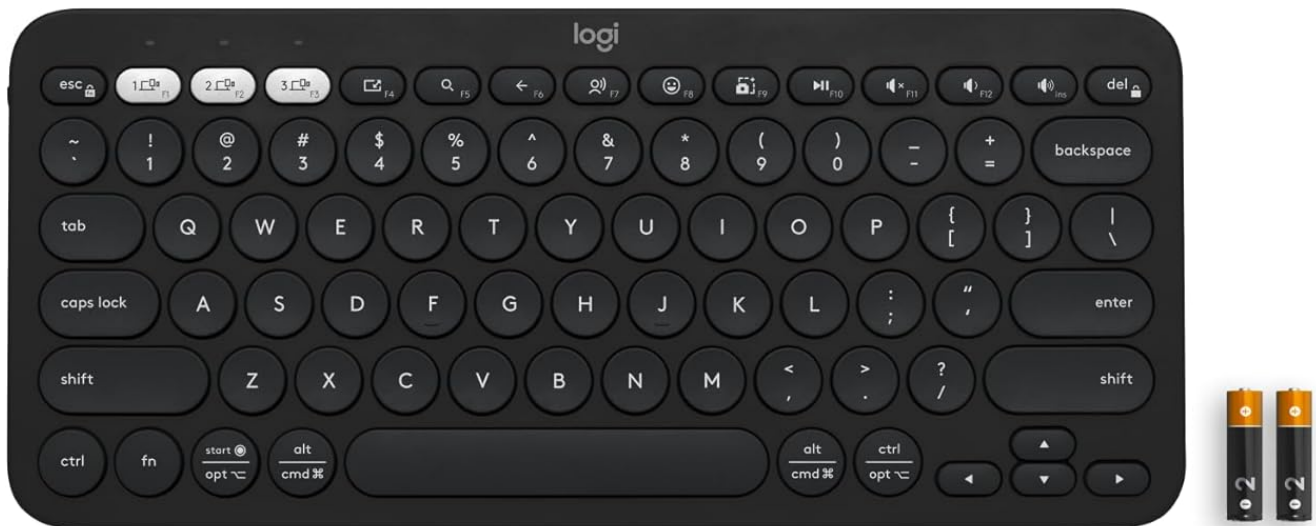

The Logitech Pebble 2 Combo, featuring the black wireless keyboard and mouse, as packaged.

Battery Installation

The keyboard and mouse come with pre-installed AA batteries. Remove the battery pull tabs before first use.

IN THE BOX

RESPONSIBLE PACKAGING

FSC™ N003028

Contents of the box, including the keyboard, mouse, USB receiver, and AA batteries.

Bluetooth Pairing (Easy-Switch)

The Pebble 2 Combo supports connection to up to three devices via Bluetooth.
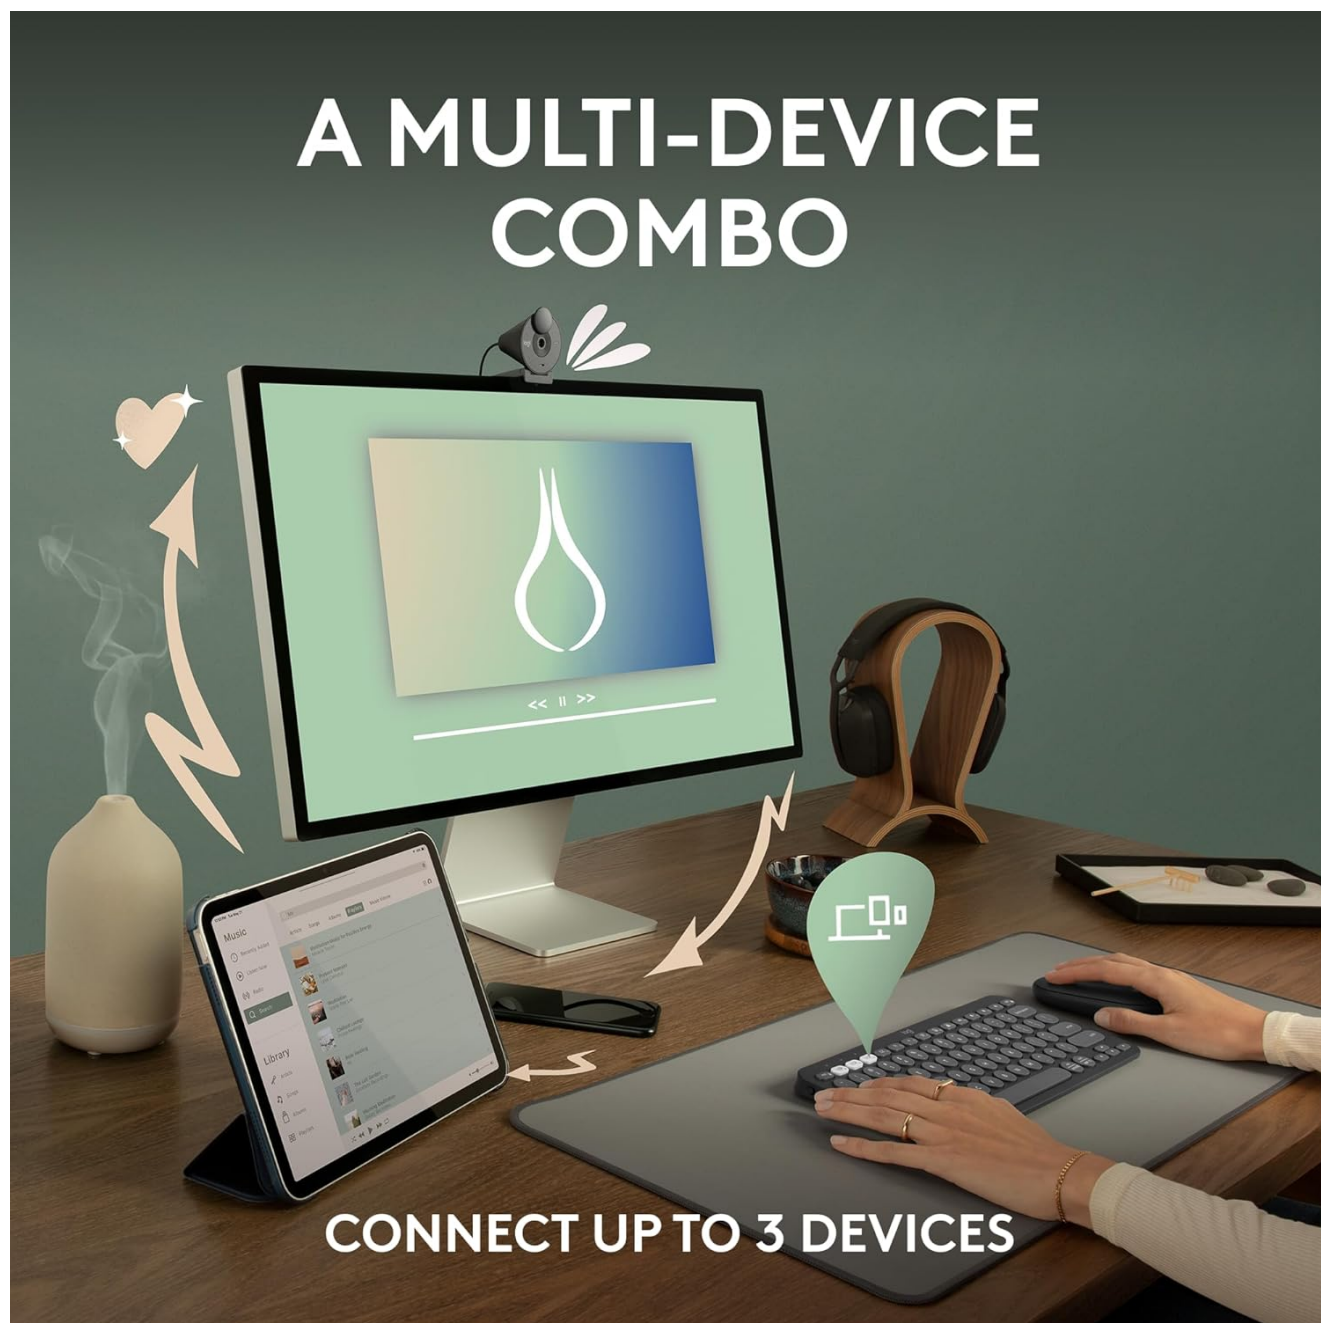

Keyboard Pairing

1. Turn on the keyboard using the power switch on the side.
2. Press and hold one of the Easy-Switch keys (1, 2, or 3) for 3 seconds until the LED light above the key starts blinking rapidly. This indicates pairing mode.
3. On your device (computer, tablet, phone), go to Bluetooth settings and select "Pebble Keys 2 K380s" from the

list of available devices.

4. Follow any on-screen prompts to complete the pairing. The LED will turn solid for 5 seconds to confirm connection.

Mouse Pairing

1. Turn on the mouse using the power switch on the bottom.
2. Press and hold the Easy-Switch button on the bottom of the mouse (labeled 1, 2, or 3) for 3 seconds until the LED light starts blinking rapidly.
3. On your device, go to Bluetooth settings and select "Pebble Mouse 2 M350s" from the list.
4. Complete the pairing process. The LED will turn solid for 5 seconds.

The Logitech Pebble 2 Combo connected to a laptop, tablet, and desktop computer, demonstrating its multi-device pairing capability.

OPERATING YOUR DEVICE

Switching Between Devices

To switch between paired devices, simply press the corresponding Easy-Switch key (1, 2, or 3) on both the

keyboard and the mouse. The devices will instantly connect to the selected paired device.

Customizable Keys and Buttons

The keyboard features 10 customizable Fn shortcut keys, and the mouse's middle button can also be personalized.

Download the Logi Options+ App from the Logitech website to customize these functions, assign shortcuts for your favorite apps, and enhance your workflow.

Quiet Typing and Clicking

The keyboard features low-profile keys designed for quiet, laptop-like typing. The Pebble Mouse 2 M350s utilizes Silent Touch Technology to significantly reduce click noise, ensuring a quiet work environment.

A user typing on the keyboard and using the mouse, emphasizing the quiet operation of both devices.

Portability and Battery Life

The slim, sleek, and lightweight design of the Pebble 2 Combo makes it highly portable. The keyboard offers up to 3 years of battery life, and the mouse provides up to 2 years, ensuring long-lasting performance. Batteries are included.

MAINTENANCE

Cleaning

Use a soft, damp cloth to clean the surfaces of the keyboard and mouse. Avoid harsh chemicals or abrasive materials.

Battery Replacement

When the battery indicator light on the keyboard or mouse signals low power, replace the AA batteries. Refer to the battery installation section for guidance.

TROUBLESHOOTING

Connectivity Issues

- Ensure both the keyboard and mouse are powered on.

- Verify that Bluetooth is enabled on your computer or device.
- Re-initiate the pairing process by pressing and holding the Easy-Switch button for 3 seconds until the LED blinks rapidly.
- Check battery levels and replace if necessary.
- Move the devices closer to your computer to rule out range issues.

Key or Button Malfunction

- Ensure no debris is lodged under the keys or buttons.
- If customization issues arise, reinstall or update the Logi Options+ App.
