Maintenance

1. Battery Care

To maximize battery life, avoid extreme temperatures and use only Samsung-approved chargers. The 3900 mAh battery typically charges in approximately 74 minutes. For optimal battery health, avoid frequently draining the battery completely or keeping it at 100% for extended periods.

2. Water and Dust Resistance

Your device is rated IP68 for water and dust resistance. This means it can withstand immersion in up to 1.5 meters of fresh water for up to 30 minutes. Avoid exposing the device to saltwater, chlorinated water, or other liquids. Ensure the USB port is dry before charging.

3. Software Updates

Regular software updates are provided to enhance performance, security, and add new features. Ensure your device is connected to Wi-Fi and has sufficient battery before initiating an update. Samsung typically provides 5 years of software updates for this model.

4. Cleaning Your Device

Use a soft, lint-free cloth to clean your device. Avoid abrasive materials or harsh chemicals that could damage the screen or finish.

Troubleshooting

Common Issues and Solutions

- **Device not turning on:** Ensure the battery is charged. Connect the device to a charger and wait a few minutes before attempting to power on again.
- **Battery drains quickly:** Close unused apps, reduce screen brightness, disable unnecessary features like GPS or Bluetooth when not in use. Check for recent app installations that might be consuming excessive power.
- **Device is slow or unresponsive:** Restart your device. Clear cache for frequently used apps. Ensure your software is up to date. If issues persist, consider a factory reset (back up your data first).
- **Connectivity problems (Wi-Fi/Bluetooth/5G):** Toggle the respective connection off and on. Restart your device. Forget and reconnect to Wi-Fi networks. Ensure your SIM card is properly inserted for cellular connectivity.
- **Camera issues:** Clear the camera app's cache and data. Restart the device. Ensure there are no physical obstructions on the camera lenses.
