5 five simply smart Bamboo Storage Bench Instruction Manual

Model: FIVE232-174784

1. INTRODUCTION

Thank you for purchasing the 5 five simply smart Bamboo Storage Bench. This versatile piece of furniture is designed to provide both seating and storage solutions for your home. Crafted from natural bamboo, it offers durability and a stylish aesthetic. Please read this manual carefully before assembly and use to ensure proper operation and longevity of your product.

2. SAFETY INFORMATION

WARNING: Use with care. Do not exceed the recommended weight limit for seating or storage. Failure to do so may result in injury or damage to the product.

- Ensure all components are securely fastened before use.
- Do not stand on the bench.

- Keep fingers clear of the lid when closing, despite the soft-close mechanism.
- Place the bench on a flat, stable surface to prevent tipping.
- Keep away from open flames or excessive heat sources.

3. PACKAGE CONTENTS

Verify that all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

Figure 3.1: Product packaging, which typically lists contents and basic assembly steps.

- Bamboo frame components
- Lid with soft-close mechanism
- Cushion
- Assembly hardware (screws, bolts, etc.)
- Assembly tool (e.g., Allen key)
- Instruction manual (this document)

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires one person and approximately 15-30 minutes. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the package contents list.
2. **Assemble the Frame:** Connect the side panels to the front and back panels using the provided hardware. Ensure all connections are snug but do not overtighten until the frame is fully assembled.
3. **Attach the Base:** Secure the bottom panel or crossbars to the assembled frame.
4. **Install the Lid Mechanism:** Attach the soft-close mechanism to the lid and the top of the frame as indicated in the diagrams. Ensure the mechanism operates smoothly before proceeding.

Figure 4.1: The soft-close mechanism ensures smooth and safe operation of the lid.

5. **Secure the Lid:** Attach the lid to the frame using the hinges and ensure it opens and closes freely.
6. **Place the Cushion:** Position the cushion securely on top of the lid.
7. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts. Do not

overtighten.

5. OPERATING INSTRUCTIONS

The Bamboo Storage Bench serves two primary functions: seating and storage.

- **Seating:** The top cushion provides a comfortable surface for sitting. Ensure the lid is fully closed before sitting.
- **Storage:** To access the storage compartment, gently lift the lid. The soft-close mechanism will assist in opening and prevent the lid from slamming shut. Place items inside the compartment. To close, gently push the lid down; the soft-close mechanism will engage and lower it quietly.

Figure 5.1: The bench provides ample storage space beneath the lid.

Figure 5.2: The integrated handle allows for easy lifting of the lid.

6. MAINTENANCE

Proper care will extend the life of your bamboo storage bench:

- **Cleaning:** Clean the bamboo surfaces with a dry or damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the bamboo finish.
- **Cushion Care:** The cushion cover is washable. Refer to the care label on the cushion for specific washing instructions.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Environment:** While bamboo is naturally resistant to moisture, avoid prolonged exposure to excessive humidity or direct water to prevent warping or damage.

7. TROUBLESHOOTING

If you encounter any issues with your storage bench, refer to the following common solutions:

- **Lid not closing smoothly:** Check for any obstructions in the hinges or soft-close mechanism. Ensure the mechanism is properly aligned and lubricated if necessary.
- **Bench wobbles:** Verify that the bench is placed on a flat, even surface. Check all assembly screws and tighten them if loose.
- **Unusual noises:** Inspect all joints and hardware for looseness. Tighten any loose connections.

For issues not covered here, please contact customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	5 five simply smart
Model Number	FIVE232-174784
Product Dimensions	15 x 69 x 35 cm (5.9 x 27.2 x 13.8 inches)
Product Weight	5.03 Kilograms (11.09 lbs)
Color	Natural
Material	Bamboo
Opening Mechanism	Hinge with soft-close
Water Resistance Level	Water Repellent
Recommended Uses	For bathroom items, general storage, seating
Country of Origin	China
