

## IVELS

# IVE Official Light Stick User Manual

Brand: Generic | Model: IVELS

## INTRODUCTION

---

This manual provides essential information for the safe and effective use of your IVE Official Light Stick. Please read these instructions carefully before use and retain them for future reference.

The IVE Official Light Stick is designed to enhance your concert experience by synchronizing with music and displaying various light modes. It features a unique design with the IVE logo and is powered by AAA batteries.

## PRODUCT OVERVIEW

---

The IVE Official Light Stick package includes the light stick unit, a wrist strap, and this user manual.

Figure 1: Front, Side, and Back views of the IVE Official Light Stick.

The light stick features a clear spherical top housing the IVE logo, which is designed to rotate. The main body is white, with a single button for operation and a twist-off base for battery access. A white wrist strap with the "IVE" logo on one side and "DIVE" (the fan club name) on the other is also included for secure handling.

## SETUP

---

### Battery Installation

1. Turn the bottom part of the light stick counter-clockwise to open the battery compartment.
2. Carefully remove the battery case from the light stick body.
3. Insert three (3) AAA alkaline batteries into the battery case, ensuring correct polarity (+/-) as indicated inside the compartment.

4. Place the battery case back into the light stick body, aligning it properly.
5. Twist the bottom part clockwise to securely close the battery compartment.

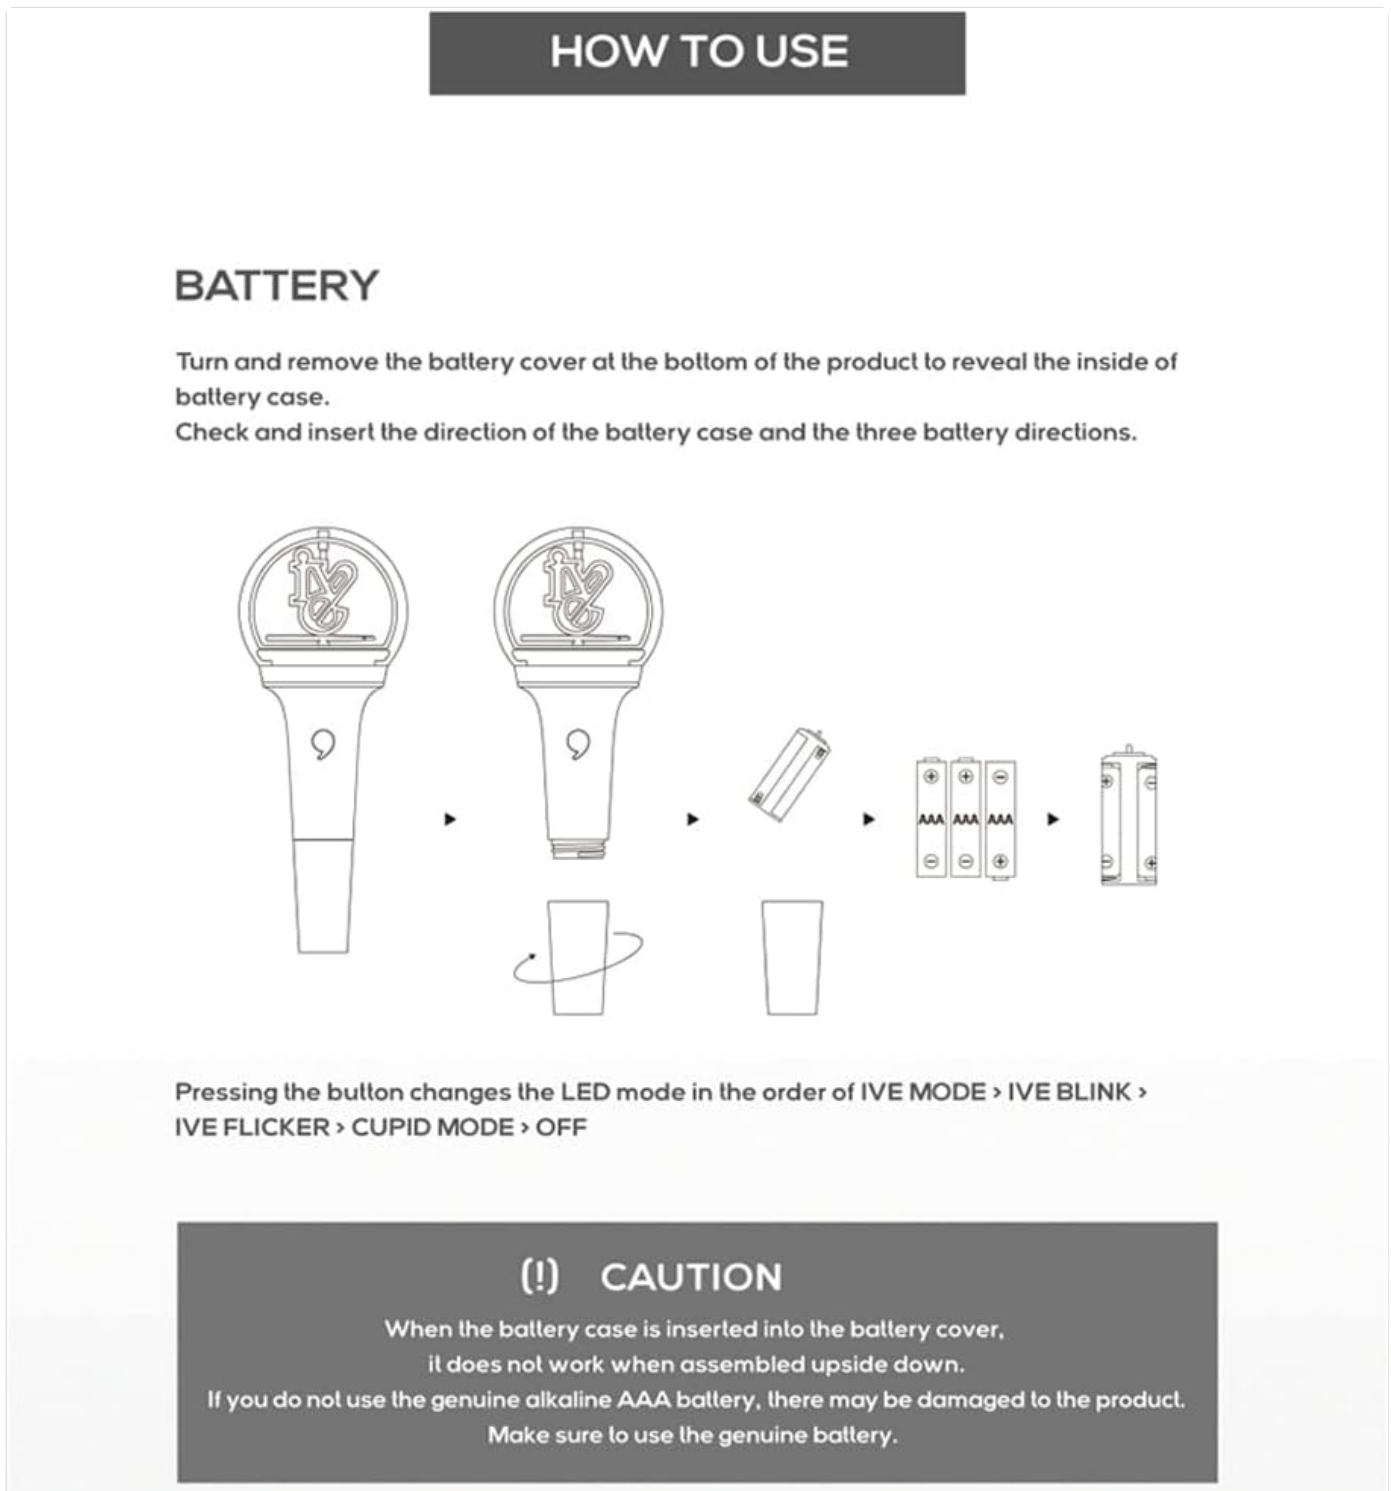

Figure 2: Step-by-step guide for battery installation.

### CAUTION:

- When the battery case is inserted into the battery cover, it will not work if assembled upside down.
- Only use genuine alkaline AAA batteries. Using non-genuine or incorrect batteries may damage the product.

## OPERATING INSTRUCTIONS

---

### Power On/Off and Mode Selection

Press the single button on the light stick's handle to cycle through the various light modes:

1. **IVE Mode:** Standard illumination.
2. **IVE Blink:** The light blinks at a steady interval.
3. **IVE Flicker:** The light flickers.
4. **Cupid Mode:** A special light effect.
5. **OFF:** Turns the light stick off.

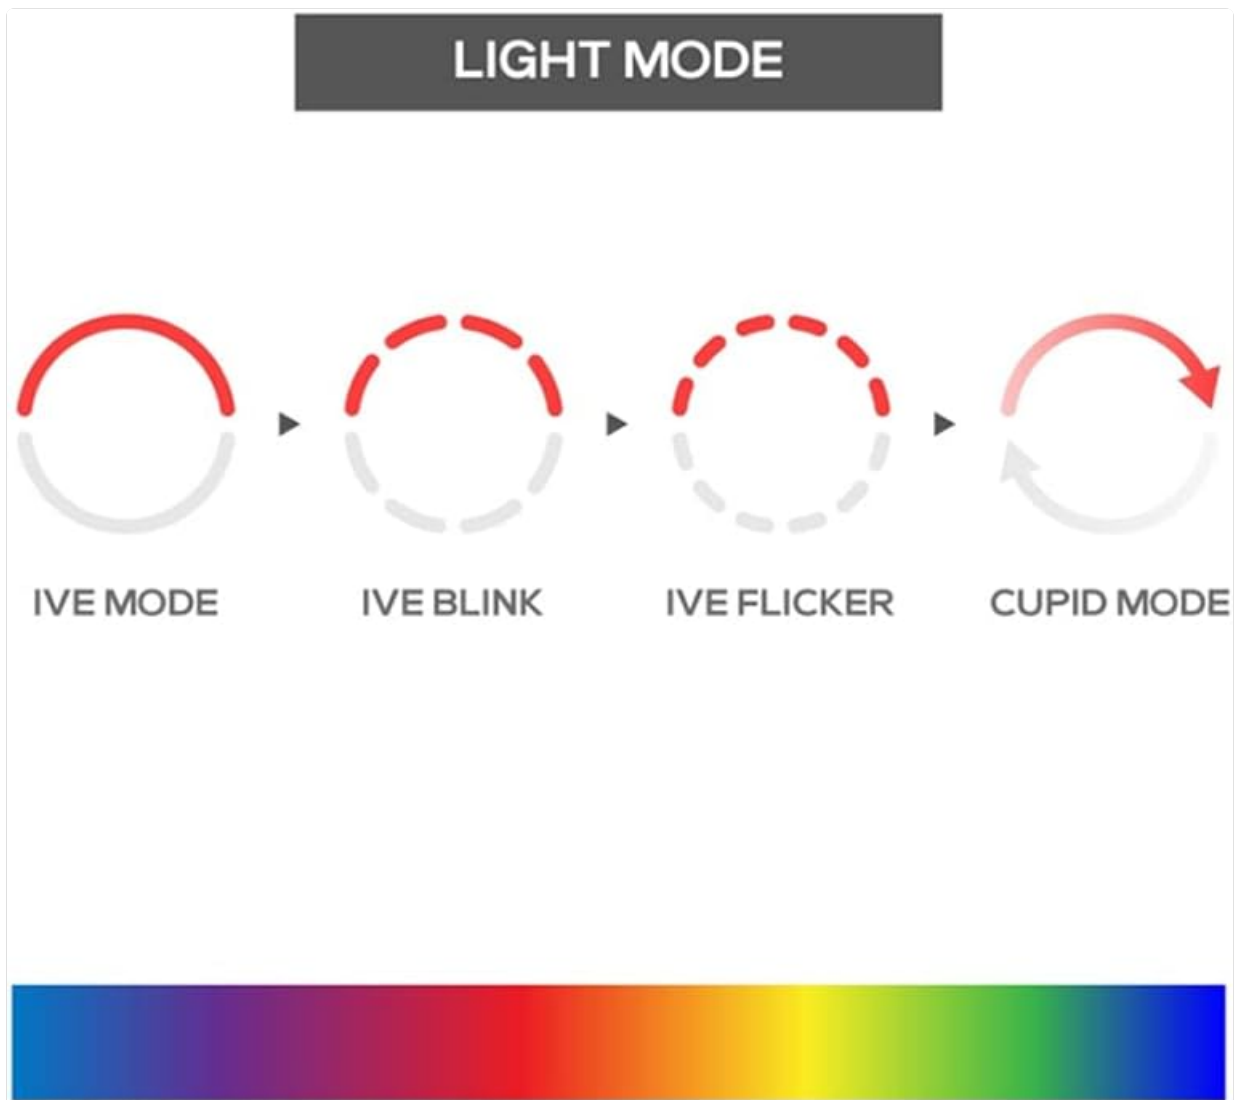

Figure 3: Visual representation of the light modes.

## Concert Mode Synchronization

The IVE Official Light Stick is designed to synchronize with concert music and stage effects. When attending an official IVE concert, the light stick will automatically change its light patterns and colors to match the performance. This feature does not require any external app or manual control during the concert.

## MAINTENANCE

---

- To clean the light stick, gently wipe it with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the light stick to extreme temperatures, direct sunlight, or high humidity.
- If the light stick will not be used for an extended period, remove the batteries to prevent leakage and potential damage.
- Handle the light stick with care to prevent drops or impacts, which could damage internal components or the clear sphere.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Light stick does not turn on.	<ul style="list-style-type: none"><li>Batteries are dead or low.</li><li>Batteries are inserted incorrectly.</li><li>Battery case is not properly seated.</li></ul>	<ul style="list-style-type: none"><li>Replace with new AAA alkaline batteries.</li><li>Check battery polarity and reinsert correctly.</li><li>Ensure the battery case is fully inserted and the base is twisted shut.</li></ul>
Light stick does not synchronize at concert.	<ul style="list-style-type: none"><li>Not an official concert or specific synchronization feature is not active.</li><li>Interference from other devices.</li></ul>	<ul style="list-style-type: none"><li>Ensure you are at an official IVE concert where this feature is supported.</li><li>Move away from potential sources of interference.</li></ul>
Light stick lights are dim.	Low battery power.	Replace all three AAA batteries with new ones.

## SPECIFICATIONS

---

**Brand:** Generic

**Manufacturer:** IVE

**Part Number:** IVELS

**Item Weight:** 11.7 ounces

**Product Dimensions:** 3.82 x 3.82 x 9.65 inches

**Item Model Number:** IVELS
