### 3. INGREDIENTS

The perfume contains a blend of aromatic compounds to create its unique scent profile. Specific ingredients are listed on the product packaging.

### 4. USAGE INSTRUCTIONS

To apply, hold the bottle approximately 5-7 inches (12-18 cm) away from your skin and spray a light mist onto pulse points. Recommended pulse points include wrists, neck, and behind the ears. For best results, apply to clean, moisturized skin. Avoid rubbing the perfume into your skin after application, as this can alter the fragrance.

## 5. SAFETY INFORMATION

- For external use only.
- Avoid direct contact with eyes. If product gets into eyes, rinse well with water immediately.
- Keep out of reach of children.
- If signs of irritation or rash appear, discontinue use immediately.
- Flammable, keep away from fire and open flames.

## 6. STORAGE

Store the perfume in a cool, dry place away from direct sunlight and extreme temperatures. Keeping the bottle upright and tightly capped will help preserve the fragrance quality and longevity.
