SAFETY INFORMATION

WARNING: If children are present, keep sharp objects and hazardous materials out of reach. Ensure the shed is placed on a level, stable surface to prevent tipping. Do not overload the shed beyond its intended capacity.

SETUP AND ASSEMBLY

The Devoko Resin Outdoor Storage Shed is designed for straightforward assembly. It is recommended to have assistance during certain steps. Refer to the included instruction booklet for a detailed list of components and step-by-step diagrams.

Assembly Overview

The shed features a double-wall structure for enhanced durability. Panels connect using a card slot splicing method. Ensure all connections are secure during assembly.

Video 1: This video demonstrates the assembly process, including how long it typically takes to set up the Devoko Resin Outdoor Storage Shed.

Key Assembly Steps

1. **Base Installation:** Place the base on a level surface.

2. **Wall Panel Assembly:** Connect the double-wall panels using the card slot splicing method.
3. **Door Attachment:** Secure the two front doors using the provided hinges.
4. **Lid Installation:** Attach the top lid, ensuring the lid support mechanism is correctly installed.

OPERATING INSTRUCTIONS

Accessing the Shed

- **Lid Access:** The top lid is supported by a lever mechanism, allowing it to stay open for convenient access.
- **Door Access:** The shed features two front doors. To open, disengage the foot switch at the bottom and pull the handles.

Figure 3: Detail of the foot latch mechanism for securing the doors.

Securing the Shed

The shed incorporates a double lock design for enhanced security:

- **Foot Switch:** A pin at the bottom can be engaged with your foot to secure the doors.
- **Padlock Hole:** A lock hole is reserved at the top of the cabinet for an optional padlock (not included) to further secure the contents.

Figure 4: The double lock design, showing the padlock hole for additional security.

Storage Capacity and Organization

The 34 cubic feet capacity provides ample space for various outdoor items.

- **Recommended Items:** Sports equipment, gardening tools, bicycles, generators, lawn mowers, sofa cushions, and garbage cans.
- **Optional Shelves:** The shed is designed with partition support bars and positioning clamp points to facilitate the classified storage of articles. Shelves are sold separately.

AS DECK BOX

Additional shelf boards can be placed
(Do not provide)

Video 2: This video showcases the shed's size and its weather-friendly features, demonstrating its suitability for various outdoor items.

MAINTENANCE

The Devoko Resin Outdoor Storage Shed is constructed from double-layer HDPE resin, offering excellent durability and low maintenance.

- **Cleaning:** The resin material is easy to clean. Simply wipe down with a damp cloth or hose off with water.
- **Weather Resistance:** The complete box top and card slot splicing method ensure excellent waterproof ability. The material is resistant to ultraviolet (UV) rays and high temperatures, making it suitable for various outdoor environments.
- **Appearance:** The imitation wood texture maintains its aesthetic appeal over time, blending well with patio furniture.

Video 3: This video addresses common questions regarding the addition of shelves and the shed's watertight

SPECIFICATIONS

Feature	Detail
Brand	Devoko
Model Number	DV23D4WGY
Material	Double-layer HDPE Resin
Color	White
Product Dimensions	28.8"D x 11.4"W x 39"H
Item Weight	54.3 Pounds
Capacity	34 Cubic Feet
Water Resistance Level	Waterproof
Door Style	Single Hinged, Lockable
Assembly Required	Yes
