Safety Information

- Ensure all components are securely fastened during assembly to prevent instability.
- Place the cat tree on a flat, stable surface to minimize the risk of tipping.
- Utilize the included anti-toppling device to secure the cat tree to a wall, especially if you have active or multiple large cats.
- Regularly inspect the cat tree for loose parts, damaged sisal ropes, or worn fabric, and address any issues promptly.
- Keep small children away from the assembly area and supervise them when near the assembled cat tree.

Package Contents

Before beginning assembly, verify that all the following components are present in your package:

- Particle boards (various shapes and sizes for platforms, condos, and base)
- Natural sisal-covered scratching posts
- Soft plush fabric covers and padded perches
- Hammock fabric and support rods
- Assembly hardware (screws, bolts, washers, Allen wrench)
- Anti-toppling device
- Instruction manual

Setup and Assembly

Assembly of the PAWZ Road Large Cat Tree requires careful attention to the provided illustrated instructions. It is recommended to lay out all components and hardware before starting.

1. **Identify Components:** Match each part to the corresponding labels in the instruction manual.
2. **Assemble Base:** Begin by attaching the lowest scratching posts and the first condo unit to the base plate.
3. **Build Upwards:** Follow the step-by-step diagrams to connect platforms, additional condos, and scratching posts in sequence. Ensure all connections are tight.
4. **Install Hammock:** Secure the hammock according to the instructions, ensuring it is taut and stable.
5. **Attach Perches:** Fasten the padded perches to the top levels.
6. **Secure Anti-Toppling Device:** Once fully assembled, position the cat tree and attach the anti-toppling strap to a wall stud using appropriate hardware.

Operating Instructions

The PAWZ Road Large Cat Tree is designed to provide a stimulating and comfortable environment for your cats. Encourage your cats to explore its various features:

- **Climbing and Exploration:** The 8-level structure allows cats to climb, jump, and explore, satisfying their natural instincts.
- **Scratching Posts:** Seven sisal-covered posts and a unique horizontal scratching pad provide ample opportunities for nail care, diverting scratching behavior from furniture.
- **Resting Areas:** The extra-large hammock, dual condos, and padded perches offer multiple cozy spots for napping and relaxation.
- **Play Features:** Integrated dangling pompom toys encourage playful interaction and exercise.

Maintenance

Proper maintenance will extend the life of your cat tree and ensure a hygienic environment for your pets.

- **Cleaning:** The plush material can be spot cleaned with a damp cloth and mild detergent. For deeper cleaning, hand wash only. Avoid harsh chemicals or machine washing.
- **Vacuuming:** Regularly vacuum the plush surfaces to remove loose fur and dust. A lint roller can also be used.
- **Sisal Posts:** Inspect sisal ropes for fraying. While durable, heavily used areas may show wear over time.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.

Troubleshooting

If you encounter any issues with your PAWZ Road Large Cat Tree, refer to the following common solutions:

- **Instability/Wobbling:**
 - Ensure the cat tree is on a level surface.
 - Check and tighten all assembly screws and bolts.
 - Verify the anti-toppling device is correctly installed and secured to a wall stud.
- **Missing Parts:**
 - Carefully re-check all packaging materials. Small parts may be overlooked.
 - Contact customer support with your purchase details and a list of missing items.
- **Cats Not Using the Tree:**
 - Place the tree in a prominent location where your cats enjoy spending time, such as near a window.
 - Use catnip or treats to encourage initial exploration.
 - Play with dangling toys on the tree to attract their attention.
