MAINTENANCE

To maintain the appearance and longevity of your cabinet, follow these simple cleaning guidelines:

- Wipe clean with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the painted finish.
- Promptly wipe up any spills to prevent moisture damage, especially in humid environments like bathrooms.

TROUBLESHOOTING

Common Issues and Solutions:

- **Issue:** Cabinet feels unstable or wobbly.
Solution: Ensure all screws are securely tightened. If the issue persists, verify that the cabinet is placed on a level surface. Utilize the provided wall anchors to secure the cabinet to a wall for added stability.
- **Issue:** Drawers or door do not close smoothly or flush.
Solution: Check for any obstructions in the drawer slides or door hinges. Verify that the cabinet was assembled correctly, paying close attention to the alignment of the frame and panels. Adjust hinges if necessary to ensure proper door closure.
- **Issue:** Damage during shipping or missing parts.
Solution: If you receive the product with damaged parts or missing components, please contact ZenStyle customer support immediately for assistance. Do not attempt to assemble with damaged or missing parts.
