## KEMEI KM-8512

# KEMEI KM-8512 3D Cordless Rotary Shaver User Manual

Model: KM-8512

### PRODUCT OVERVIEW

The KEMEI KM-8512 is a versatile 3D cordless rotary shaver designed for men, featuring an LED display for usage time. It offers a comfortable and efficient shaving experience for beards and sideburns, combining advanced technology with user-friendly design.

The KEMEI KM-8512 is a versatile 3D cordless rotary shaver designed for men, featuring an LED display for usage time. It offers a comfortable and efficient shaving experience for beards and sideburns.

## KEY FEATURES

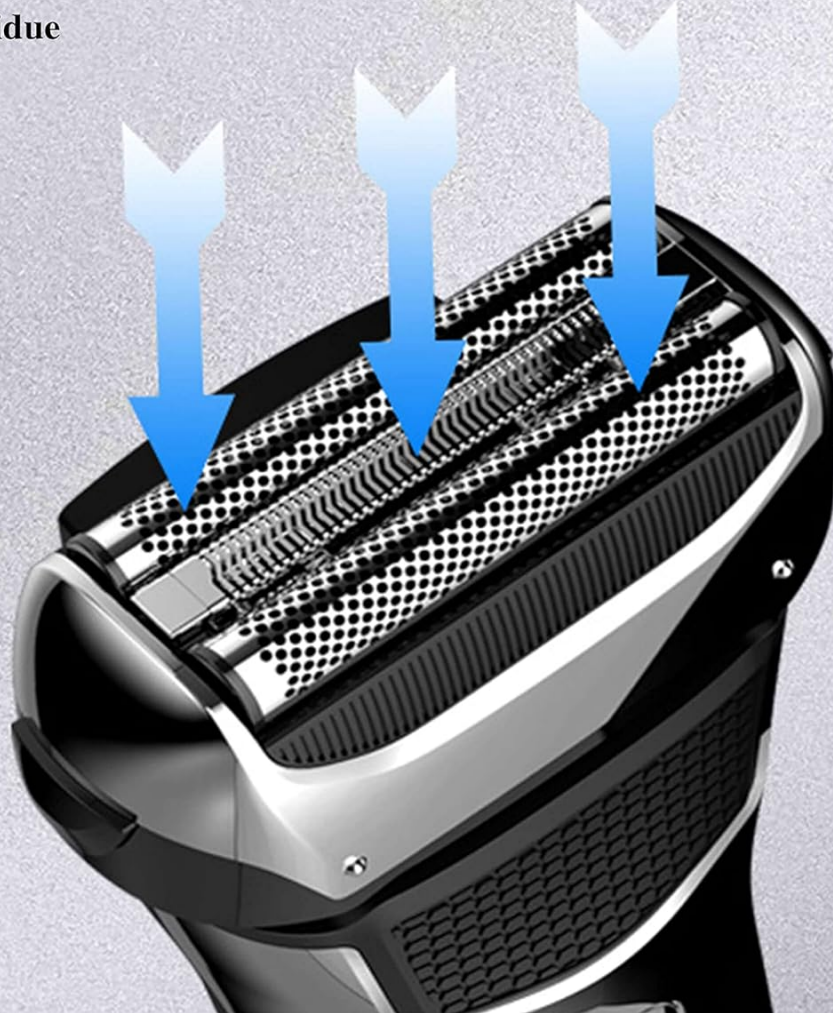

- **2-in-1 Functionality:** Functions as both a primary shaver and includes a pop-up trimmer for versatile grooming.
- **Independent Floating System:** Features three independently floating knife heads for a closer and more complete shave.
- **Convenient USB Type-C Charging:** Supports 1.5-hour fast charging and allows for use while charging, compatible with various USB power sources.
- **IPX6 Waterproof Rating:** Designed for full body washing, enabling both dry and wet shaving.
- **High-Speed Motor:** Provides powerful and sharp cutting performance without pulling, ensuring a smooth shave.

- **LED Display:** Intuitive screen displays usage time and battery status.

## INDEPENDENT FLOATING SYSTEM WITH THREE KNIVES

---

Knife net and trimmer float independently, shaving is more complete at one time, and shaving is easy without leaving residue

The shaver features an independent floating system with three knife heads, allowing the knife net and trimmer to float independently for a more complete and residue-free shave.

## **POP-UP SIDEBURNS KNIFE SHAVING AND TRIMMING TEMPLES IN ONE**

---

Slightly buckle and pop up the sideburns knife, replace without disassembly, take care of the sideburns daily cleaning, more energetic, beard shape, simple and easy to use

A convenient pop-up sideburns knife is integrated for precise trimming of sideburns and temples, simplifying daily grooming.

**HIGH-SPEED MOTOR**

**SHARP CUTTING WITHOUT PULLING**

**Rapid cutting with surging power, sharp without jamming**

Equipped with a high-speed motor, the shaver provides powerful and sharp cutting performance without pulling, ensuring a smooth shave.

## USB CHARGING DESIGN LET YOU TRAVEL MORE FREELY

---

1.5-hour fast charging, supporting charging while using

The shaver supports convenient USB Type-C charging, allowing for 1.5-hour fast charging and use while charging. It can be powered by a computer, power bank, or mobile adapter.

# WASH THE WHOLE BODY WITH WATER, DRY AND WET SHAVING

IPX6 waterproof grade, flexible to various shaving environments

With an IPX6 waterproof rating, the shaver is fully washable, supporting both dry and wet shaving for versatile use and easy cleaning.

## SETUP

### Unpacking

Carefully remove all components from the packaging. Ensure you have the following items:

- KEMEI KM-8512 Shaver Unit
- USB Charging Cable (Type-C)
- Cleaning Brush
- User Manual

### Initial Charge

Before first use, fully charge the shaver. Connect the USB Type-C charging cable to the shaver's charging port and plug the other end into a compatible USB power source (e.g., computer, power bank, or wall adapter). The LED

display will indicate charging status. A full charge takes approximately 1.5 hours.

## OPERATING INSTRUCTIONS

### Basic Shaving

1. Ensure the shaver is charged.
2. Press the power button to turn on the shaver.
3. Hold the shaver at a right angle to your skin and move it in small, circular motions against the direction of hair growth.
4. Apply gentle pressure; do not press too hard.
5. After shaving, press the power button again to turn off the shaver.

### Using the Pop-up Trimmer

The integrated pop-up trimmer is ideal for shaping sideburns, mustaches, and detailing.

1. Locate the pop-up trimmer release button/lever on the side of the shaver.
2. Slide or press the button to extend the trimmer.
3. Use the trimmer to precisely shape and trim desired areas.
4. Once finished, push the trimmer back into its housing until it clicks into place.

### Wet and Dry Shaving

The KM-8512 supports both dry and wet shaving due to its IPX6 waterproof rating.

- **Dry Shaving:** For a quick and convenient shave, use the shaver on dry skin.
- **Wet Shaving:** For a more comfortable shave, especially for sensitive skin, you can use the shaver with shaving foam or gel. Rinse the shaver head under running water during and after use.

## MAINTENANCE

### Cleaning

Regular cleaning ensures optimal performance and hygiene.

1. Turn off the shaver and disconnect it from the charging cable.
2. Open the shaver head by pressing the release button (if applicable) or gently pulling it open.
3. Rinse the shaver head and the internal cutting unit under warm running water. For a thorough clean, you can use the included cleaning brush to remove trapped hairs.
4. Shake off excess water and allow the shaver head to air dry completely before closing or storing.
5. Do not use abrasive cleaners or harsh chemicals.

### Blade Care

To maintain the sharpness and effectiveness of the blades, avoid dropping the shaver or exposing the blades to hard surfaces. Replace the shaver heads periodically (e.g., every 12-18 months, depending on usage) for best results.

## TROUBLESHOOTING

Problem	Possible Cause / Solution
Shaver does not turn on.	Battery is depleted. Charge the shaver for 1.5 hours. Ensure the charging cable is properly connected.
Poor shaving performance.	Shaver head is dirty or clogged with hair. Clean the shaver head thoroughly. Blades may be dull. Consider replacing the shaver head.
Battery not charging.	Charging cable or adapter may be faulty. Try a different USB cable or power source. Ensure the charging port is clean.
Shaver makes unusual noise.	Shaver head may not be properly attached or is damaged. Reattach or inspect the shaver head.
