## INTRODUCTION

---

Thank you for choosing the Feandrea Collapsible Pet Carrier. This manual provides essential information for the safe and proper assembly, use, and maintenance of your pet carrier. Please read these instructions thoroughly before using the product and retain them for future reference.

## SAFETY INSTRUCTIONS

---

- Always ensure your pet's collar or leash is removed before placing them inside the carrier to prevent entanglement or injury.
- Do not leave your pet unattended in the carrier for extended periods, especially in extreme temperatures.
- Regularly inspect the carrier for any damage or wear. Discontinue use if any components are compromised.
- Ensure all zippers and buckles are securely fastened when your pet is inside.
- This carrier is designed for pets within the recommended weight range (15-24 lb for size M). Do not exceed the weight limit.
- Keep the carrier away from open flames or excessive heat sources.
- Supervise children around the pet carrier to ensure safe interaction with the pet.

## SIZING GUIDE

Choosing the correct size carrier is crucial for your pet's comfort and safety. The Feandrea UPDC60H (Size M) is ideal for dogs between 15-24 lb (7-11 kg).

### How to Measure Your Pet

To ensure a proper fit, follow these measurement guidelines:

1. **Length:** Have your dog stand upright. Measure its length from the tip of its nose to the base of its tail.
2. **Height:** Have your dog sit upright. Measure its height from the top of its head to the floor.
3. **Add Extra Room:** Add 4 inches (10 cm) to both the measured length and height to allow for comfortable movement within the carrier.

## MAINTENANCE

Proper care and maintenance will extend the life of your Feandrea pet carrier.

- **Cleaning the Fabric:** The 600D Oxford fabric can be spot cleaned with a damp cloth and mild detergent. Allow to air dry completely.
- **Cleaning the Mat:** The faux fleece inner mat is removable and washable. Hand wash or machine wash on a gentle cycle with cold water. Air dry or tumble dry on low heat.
- **Frame Inspection:** Periodically check the metal frame for any signs of bending or damage. Ensure all connections are secure.
- **Zipper Care:** Keep zippers clean and free of debris. Lubricate with a zipper lubricant if they become stiff.

## STORAGE

When not in use, the Feandrea pet carrier can be easily collapsed for compact storage.

1. **Disassemble Frame:** Remove the metal support tubes from their sleeves.
2. **Fold Flat:** Gently push the sides of the carrier inwards until it folds flat.
3. **Secure:** Fasten the buckle to keep the carrier in its folded position.
4. **Store:** Store the folded carrier in a dry, cool place away from direct sunlight. Its compact size (24"L x 16.5"W x 3"H) allows it to be stored in small spaces, such as a corner or closet.

## TROUBLESHOOTING

---

Most issues with the Feandrea pet carrier can be resolved by ensuring correct assembly and proper use as outlined in this manual. If you encounter any problems not addressed here, please refer to the Support section for assistance.

- **Carrier unstable:** Ensure all metal tubes are fully inserted into their sleeves and the frame is locked into place.
- **Zippers sticking:** Clean any debris from the zipper teeth. Apply a small amount of zipper lubricant if necessary.
- **Pet discomfort:** Re-check the sizing guide to ensure the carrier is appropriate for your pet's dimensions and weight. Ensure the inner mat is properly placed.
