Beldray BEL01624

Beldray BEL01624 Cordless Spot Buster User Manual

Model: BEL01624

1. IMPORTANT SAFETY INFORMATION

Please read these instructions carefully before using your Beldray BEL01624 Cordless Spot Buster. Retain this manual for future reference.

- Always ensure the appliance is fully charged before first use.
- Do not immerse the main unit in water or any other liquid.
- This appliance is for domestic use only. Do not use outdoors or for commercial purposes.
- Keep out of reach of children and pets. This appliance is not a toy.
- Only use the recommended cleaning solutions suitable for spot cleaners. Do not use flammable or abrasive liquids.
- Ensure all tanks are securely fitted before operation to prevent leaks.
- Do not operate the appliance if it has been dropped, damaged, or if any part is faulty.
- Disconnect from the charger when not in use or before cleaning.

2. PRODUCT OVERVIEW

The Beldray BEL01624 Cordless Spot Buster is a portable carpet and upholstery cleaner designed for quick and efficient removal of spills, stains, and pet messes. Its compact, cordless design offers convenience and ease of use across various surfaces.

Key Features:

- **Cordless Operation:** Provides freedom of movement for cleaning various areas.
- **Powerful Built-in Spray Function:** Effectively applies cleaning solution to lift dirt and stains.
- **Integrated Scrubbing Brush:** Helps to agitate and deep clean soiled areas.
- **Dual-Tank System:** Separates clean water/solution from dirty water, ensuring hygienic cleaning and preventing odors.
- **Compact and Lightweight:** Easy to carry and store.
- **110 ml Detergent Tank:** Sufficient capacity for spot cleaning tasks.
- **Up to 15 Minutes Run Time:** Ideal for tackling multiple small spills.

3. COMPONENTS

Familiarize yourself with the main components of your Spot Buster:

- Main Unit with Integrated Handle
- Clean Water/Solution Tank (110 ml capacity)
- Dirty Water Collection Tank
- Integrated Spray Nozzle
- Integrated Scrubbing Brush
- Power Button

- Spray Button
- Charging Port
- Charging Adapter (not shown, but implied)

**Quickly lift and erase stains,
spills and messes**

4. SETUP

4.1 Charging the Unit

1. Before first use, fully charge the Spot Buster.
2. Locate the charging port on the unit.
3. Connect the charging adapter to the unit and plug it into a suitable power outlet.
4. The charging indicator light will illuminate (refer to product specific light indicators for status).
5. Once fully charged, disconnect the adapter.

4.2 Filling the Clean Water/Solution Tank

1. Remove the clean water tank from the main unit.
2. Open the tank cap.
3. Fill the tank with clean water and a suitable carpet/upholstery cleaning solution, following the solution manufacturer's instructions for dilution. Do not overfill.
4. Securely close the tank cap and reattach the tank to the main unit, ensuring it clicks into place.

5. OPERATING INSTRUCTIONS

5.1 General Operation

1. Ensure the clean water tank is filled and the dirty water tank is empty and securely attached.
2. Press the Power button to turn on the unit.
3. Position the nozzle directly over the stained or soiled area.
4. Press and hold the Spray button to dispense cleaning solution onto the area.
5. Gently move the unit back and forth over the area, allowing the integrated scrubbing brush to agitate the stain and the suction to lift the dirty solution.
6. Release the Spray button when sufficient solution has been applied or when you are only extracting.
7. Continue to pass the unit over the area until the stain is removed and excess moisture is extracted.
8. For stubborn stains, allow the solution to sit for a few minutes before extracting.
9. When finished, press the Power button to turn off the unit.

**Spot clean,
rugs, carpets
& upholstery!**

6. MAINTENANCE

6.1 Emptying and Cleaning Tanks

It is crucial to empty and clean both tanks after each use to prevent odor buildup and maintain performance.

1. Remove the dirty water collection tank from the unit.
2. Carefully empty the dirty water into a sink or drain.
3. Rinse the dirty water tank thoroughly with clean water.
4. Remove the clean water tank and empty any remaining solution. Rinse thoroughly.
5. Allow both tanks to air dry completely before reattaching them to the unit or storing.

6.2 Cleaning the Scrubbing Brush and Nozzle

- After use, inspect the integrated scrubbing brush and nozzle for any debris or residue.

- Use a damp cloth or small brush to clean any accumulated dirt from the brush bristles and around the nozzle opening.
- Ensure the suction path is clear of any blockages.

6.3 Storage

Store the Beldray Spot Buster in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure all tanks are empty and dry before storage.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit does not turn on.	Battery is not charged.	Charge the unit fully.
No spray or weak spray.	Clean water tank is empty or not properly seated. Nozzle is clogged.	Refill the clean water tank and ensure it is securely attached. Clean the spray nozzle.
Poor suction or liquid leaking.	Dirty water tank is full or not properly seated. Tanks are not sealed correctly. Suction nozzle is blocked.	Empty the dirty water tank. Ensure both tanks are securely and correctly attached and sealed. Clear any blockages from the suction nozzle.
Unit stops during operation.	Battery is depleted.	Recharge the unit.

8. SPECIFICATIONS
