1. INTRODUCTION

Thank you for choosing the Flamaker ADL23DS9 9-Piece Outdoor Acacia Wood and Wicker Patio Dining Set. This manual provides essential instructions for the safe assembly, operation, and maintenance of your new patio dining set. Please read this manual thoroughly before assembly and retain it for future reference.

A complete view of the Flamaker 9-Piece Patio Dining Set, featuring an acacia wood table and eight black wicker chairs with light-colored cushions, arranged on an outdoor patio.

2. SAFETY INFORMATION

WARNING: This product requires assembly. Always follow the assembly instructions carefully to avoid injury. Keep the area around the product clear during assembly. Do not use wet cloths to clean the product to prevent slipping hazards. This product is intended for outdoor use. Exposure to harsh weather conditions may require specific care instructions for safety. Always ensure the product is stable and balanced to prevent tip-over risks. Do not place heavy objects on the table that could exceed its weight capacity. Keep small children and pets away from the

product during assembly and while in use.

- Read all instructions before assembly and use.
- Ensure all parts are present and undamaged before beginning assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during initial assembly; tighten fully once all parts are aligned.
- Regularly check all bolts and connections to ensure they remain tight.
- Do not stand or sit on the table.
- Keep away from open flames and excessive heat sources.

3. PACKAGE CONTENTS

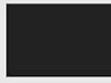

Your Flamaker 9-Piece Patio Dining Set will arrive in **3 separate boxes**. Please ensure you have received all boxes and their contents before beginning assembly. The arrival times for each box may vary.

- 1 x Patio Table
- 8 x Patio Chairs
- 8 x Soft Cushions (for chairs)
- Assembly Hardware (bolts, washers, Allen wrench)
- Instruction Manual

4. SETUP & ASSEMBLY

Assembly is required for this dining set. We recommend two or more people for installation to ensure safety and efficiency. An electric drill can significantly shorten the installation time.

1. Unpack all components and verify against the package contents list.
2. Lay out all parts on a soft, flat surface to prevent damage.
3. Follow the step-by-step diagrams in the included assembly guide.

4. Begin by assembling the table frame, ensuring all connections are secure but not fully tightened until the frame is complete.
5. Attach the acacia wood tabletop panels to the table frame.
6. Assemble each chair, attaching the legs and armrests to the rattan body.
7. Once all components are assembled, fully tighten all bolts and screws.
8. Place the soft cushions onto the chairs.

This image illustrates two individuals collaborating on the assembly of the patio dining table. One person is using a power drill to secure components, highlighting the ease of installation.

5. OPERATING INSTRUCTIONS

Your Flamaker 9-Piece Patio Dining Set is designed for comfortable outdoor dining and relaxation. The set includes one large table and eight chairs, providing ample seating for family and guests.

- **Seating:** The set comfortably accommodates 8 people.
- **Adjustable Feet:** The chairs and table are equipped with adjustable feet to ensure stability on uneven surfaces. Adjust each foot individually until the furniture is level and stable.
- **Comfort:** The chairs feature hand-woven rattan for breathability and are equipped with soft cushions for enhanced comfort. The acacia wood armrests provide a smooth and comfortable resting surface.

01

Handwoven Rattan

Classic rattan-weaving design, featuring a simple and elegant appearance, is waterproof and weather-resistant, making it ideal for outdoor use.

Removable Cushion Cover

02

The removable beige cushion cover is machine-washable, facilitating easy cleaning.

03

Adjustable Feet

The adjustable feet provide enhanced stability and flexibility, allowing for easy customization to various surfaces and conditions.

A detailed view showcasing the key features of the patio chairs: the intricate handwoven rattan, a removable cushion cover for easy cleaning, and the adjustable feet designed for stability on various surfaces.

6. MAINTENANCE

Proper care will extend the life and beauty of your patio dining set.

- **Acacia Wood Care:** To prolong the use of the acacia wood components (tabletop and armrests), regularly apply wood protection oil every six months to prevent surface corrosion and maintain its rich appearance.
- **Cleaning:** Wipe the product with a dry cloth. Avoid using wet cloths on the wood to prevent damage. For

wicker, a mild soap and water solution can be used, followed by thorough rinsing and drying.

- **Cushions:** The removable beige cushion covers are machine-washable for easy cleaning. Follow the care instructions on the cushion labels.
- **Weather Protection:** Although designed for outdoor use, prolonged exposure to harsh weather conditions (heavy rain, intense sun, snow) can affect the product's longevity. Consider using a waterproof furniture cover when the set is not in use, especially during off-seasons.

Acacia Wood Tabletop

We recommend maintaining the acacia wood tabletop with wood wax oil every six months to ensure its enhanced durability.

This image demonstrates the recommended maintenance for the acacia wood tabletop, showing a person applying wood wax oil to preserve its durability and appearance. Regular application every six months is advised.

7. TROUBLESHOOTING

If you encounter any issues with your Flamaker patio dining set, please refer to the following common solutions:

- **Wobbly Table/Chairs:** Check and adjust the leveling feet on the bottom of the legs. Ensure all assembly bolts are securely tightened.
- **Missing Parts:** If any parts are missing upon delivery, please contact customer support immediately.
- **Assembly Difficulties:** Review the assembly instructions carefully. Ensure parts are oriented correctly. Do not force components together. If issues persist, contact customer support.
- **Wood Discoloration/Wear:** This is normal for outdoor wood over time. Regular application of wood protection oil as described in the Maintenance section can help mitigate this.
