3. OPERATING INSTRUCTIONS

Adjusting Height:

The desk features an adjustable height mechanism. To adjust the height, loosen the rotating knobs on the vertical support poles, raise or lower the desktop to your desired position (between 26.3" and 45.3"), and then securely tighten the knobs. Both desktop sections can be adjusted independently.

Using the Charging Station:

Plug the desk's 4.9 ft power cord into a standard wall outlet. The integrated power strip provides 2 USB ports and 2 standard power outlets for charging your devices directly from the desktop.

Mobility and Stability:

The desk is equipped with wheels for easy relocation. To move the desk, unlock the wheels. To keep the desk stationary, ensure all wheels are locked. For optimal stability, especially when using as a treadmill desk, ensure the desk is on a flat surface and wheels are locked.

Tilting Desktop Section:

One section of the desktop can be tilted to an angle, ideal for reading, drawing, or holding a tablet. To adjust the tilt, loosen the knobs underneath the tilting section, set to the desired angle, and re-tighten the knobs. A barrier strip prevents items from sliding off.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Hadulcet UP-01B8 desk, follow these maintenance guidelines:

- **Cleaning:** Clean wood surfaces with a damp cloth. Avoid harsh chemicals that may damage the finish.
- **Metal Parts:** Handle metal parts with care to prevent scratches or damage.
- **Fasteners:** Periodically check and tighten all screws and knobs to maintain stability.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 66 pounds to prevent damage or injury.
- **Anchoring:** If used in a dynamic environment (e.g., with a treadmill), consider anchoring the desk to prevent tipping.

5. TROUBLESHOOTING

If you encounter any issues with your Hadulcet UP-01B8 desk, please refer to the following common troubleshooting tips:

- **Desk Wobbles:** Ensure all assembly screws and height adjustment knobs are securely tightened. Verify the desk is on a flat, even surface.
- **Difficulty Adjusting Height:** Loosen the adjustment knobs sufficiently before attempting to raise or lower the desktop. Ensure no obstructions are present.
- **Charging Station Not Working:** Check if the desk's main power cord is securely plugged into a functional wall outlet. Test with different devices and cables.
- **Wheels Not Rolling Smoothly:** Check for any debris or hair caught in the wheel casters. Ensure the wheels are unlocked if you intend to move the desk.
