

HIEEY L MIRROR

HIEEY L MIRROR Lighted Makeup Mirror User Manual

Model: L MIRROR | Brand: HIEEY

PRODUCT OVERVIEW

The HIEEY L MIRROR Lighted Makeup Mirror is designed to enhance your makeup application experience with optimal lighting and flexibility. It features 78 LED lights offering three distinct color modes (warm yellow, daylight, and cool white) and adjustable brightness. The mirror includes smart touch controls for easy operation and a 360-degree swivel design for versatile positioning. A detachable 5X magnification mirror is also provided for detailed tasks.

The mirror is constructed from durable flame-retardant metal and high-quality mirror glass, ensuring longevity. The pre-installed LED bulbs have a lifespan of 50,000 hours and are covered with plastic to prevent cracking and injury.

SAFETY INFORMATION

WARNING:

- This mirror is made of breakable glass and may have sharp edges if broken. Handle with care.
- Keep out of reach of children.
- Always secure the mirror to a stable surface to prevent tipping.
- Do not mount the mirror near heat sources or in areas where it may be exposed to extreme temperatures or direct sunlight.

SETUP

The HIEEY L MIRROR Lighted Makeup Mirror comes pre-assembled. Simply place it on a stable, flat surface such as a desk, dresser, or vanity table.

Power Connection

1. Locate the USB power input port on the back of the mirror's base.
2. Connect the provided USB cable to the mirror and a suitable USB power adapter (not always included, but typically a standard phone charger adapter works).

3. Plug the power adapter into a wall outlet.

OPERATING INSTRUCTIONS

Smart Touch Controls

The mirror features three touch-sensitive buttons located on the lower part of the mirror surface:

- **Power Button (Center):** Tap to turn the mirror lights ON or OFF.
- **Mode Button (M - Left):** Tap to cycle through the three lighting color modes:
 - Warm Yellow (4000K)
 - Daylight (5500K)
 - Cool White (7800K)
- **Brightness Button (P - Right):** Press and hold to adjust the brightness level of the selected light mode. Release when the desired brightness is achieved.

360° Rotation

The mirror head can be rotated 360 degrees horizontally and vertically. Gently adjust the mirror to your preferred angle for optimal viewing during your makeup routine.

Using the 5X Magnification Mirror

The included detachable 5X magnification mirror is designed for close-up tasks such as applying eyeliner, shaping eyebrows, or precise lipstick application. It features suction cups on the back, allowing you to easily attach it to any part of the main mirror surface for convenient use.

MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner to wipe the mirror surface. Avoid spraying cleaner directly onto the mirror; instead, apply it to the cloth first.
- **Cleaning the Frame:** Wipe the metal frame with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Storage:** When not in use for extended periods, store the mirror in a dry, cool place away from direct sunlight.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights do not turn on.	Power cable not properly connected or no power from outlet.	Ensure the USB cable is securely plugged into the mirror and the power adapter. Verify the power adapter is plugged into a working electrical outlet.
Lights are flickering or inconsistent.	Loose connection or power supply issue.	Check all power connections. Try using a different USB power adapter or outlet. If the issue persists, contact customer support.
Touch controls are unresponsive.	Temporary software glitch or dirty sensor.	Unplug the mirror, wait 30 seconds, then plug it back in. Ensure the touch sensor area is clean and dry.

SPECIFICATIONS

Feature	Detail
Brand	HIEEY
Model Number	L MIRROR
