2. KEY FEATURES

- **PRO COLOR CORRECTING PALETTES:** Includes 5 blendable creamy shades that work together to conceal problem areas like dark circles, redness, and discoloration.
- **MULTI-FUNCTION:** Layer, blend, and define facial features. Light colors balance skin tone, medium shades cover under-eye areas and blemishes. Shades can be mixed for a 3D makeup effect.
- **LONG LASTING & SWEATPROOF:** Provides full coverage for up to 24 hours, maintaining makeup integrity even with sweat or water exposure.
- **LIGHTWEIGHT TEXTURE:** Velvety creamy color correctors offer a smooth and lightweight feel, suitable for all skin types, allowing for custom blending and perfect matching.
- **WARM TIPS:** For application, begin with deeper shades for color correcting, then blend and brighten with lighter shades. The travel-friendly palette is convenient for any occasion.

3. UNDERSTANDING YOUR PALETTE (COLOR CORRECTION GUIDE)

The BR01 DEEP palette contains five shades designed for specific corrective and enhancing purposes:

- **Lightest Shade (Yellow-toned):** Ideal for brightening and neutralizing purple or blue undertones, commonly found in dark circles.
- **Green Shade:** Used to counteract redness, such as from blemishes, rosacea, or broken capillaries.
- **Medium Shades (Various Browns):** Perfect for concealing blemishes, hyperpigmentation, and for contouring to add definition to facial features.
- **Deepest Shade (Dark Brown):** Primarily used for deeper contouring and concealing very dark spots.
