yiqungo USB Magnetic Charging Cable for MOLOCY Jugeman Q23 Smartwatches User Manual

INTRODUCTION

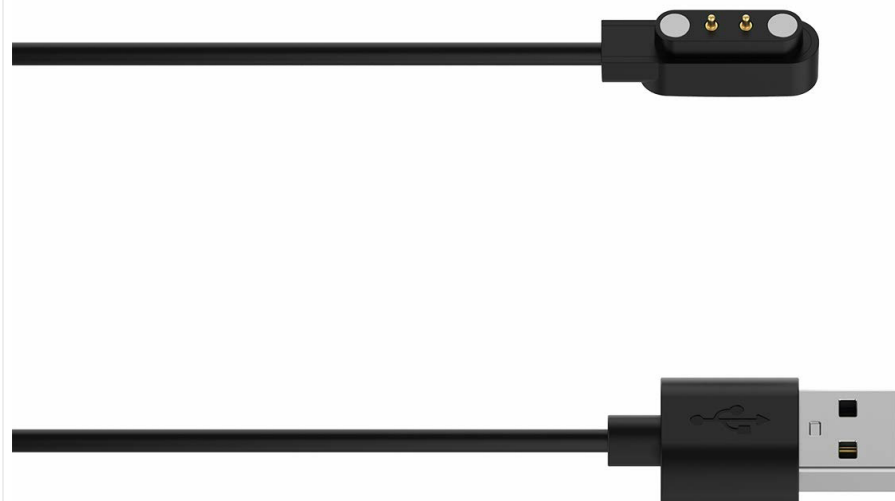

This manual provides instructions for the yiqungo USB Magnetic Charging Cable, designed for use with MOLOCY Jugeman Q23 smartwatches. It covers product overview, setup, operation, and important safety information to ensure proper and safe use of the charging cable.

PRODUCT OVERVIEW

The yiqungo USB Magnetic Charging Cable features a magnetic connector for easy attachment to your smartwatch and a standard USB-A connector for power sources. It includes built-in short-circuit protection for enhanced safety during charging.

PACKAGE CONTENTS

- 1 x yiqungo USB Magnetic Charging Cable

SETUP AND CHARGING

Connecting the Charger

To charge your MOLOCY Jugeman Q23 smartwatch, align the magnetic charging pins of the USB cable with the corresponding charging contacts on the back of your smartwatch. The magnetic connection will secure the cable in place.

Your browser does not support the video tag.

This video illustrates the process of connecting the magnetic charging cable to the MOLOCY Jugeman Q23 smartwatch. It shows how the magnetic pins align and attach to the watch's charging port, and how the watch screen indicates charging status.

Power Source Connection

Insert the USB-A end of the charging cable into a compatible USB power source, such as a computer's USB port, a USB wall adapter, or a power bank.

USB Cable for Q23 smart watch

An image displaying the MOLOCY Jugeman Q23 smartwatch with the magnetic charging cable successfully attached to its charging contacts, indicating readiness for charging.

Charging Indication

Once connected to a power source, your smartwatch display will typically show a charging indicator, such as a battery icon with a lightning bolt or a percentage increase, confirming that charging is in progress.

SAFETY FEATURES

This charging cable is equipped with a built-in Short-circuit Protection IC. This integrated circuit is designed to prevent damage from overvoltage and overcurrent conditions.

- **Short-circuit Protection:** In the event of a short-circuit, the protection IC will automatically cut off the power supply to safeguard your device.
- **Overcharge Protection:** The protection IC also helps maintain safety if the charger remains plugged in after the smartwatch is fully charged.

CARE AND MAINTENANCE

- Keep the charging cable clean and dry. Avoid exposing it to liquids or excessive moisture.
- Do not bend or crimp the cable excessively, as this can damage the internal wires.
- Store the cable in a cool, dry place when not in use.
- Regularly inspect the magnetic pins and USB connector for any signs of damage or debris.

TROUBLESHOOTING

Smartwatch Not Charging

- Ensure the magnetic pins are correctly aligned and securely attached to the smartwatch's charging contacts.
- Verify that the USB-A connector is fully inserted into a functional power source.
- Try using a different USB power source or wall adapter.
- Check the cable for any visible damage. If damaged, discontinue use and replace.

SPECIFICATIONS

Feature	Detail
Brand	yiqungo
Model Name	yiqungo202303
Compatible Devices	MOLOCY Jugeman Q23 Smart Watch
Connector Type	Magnetic (Smartwatch end), USB-A (Power source end)
Special Feature	Built-in Short-circuit Protection IC, Magnetic Connection
Color	Black
