## Qaba 331-035V00GY

# Qaba Kids Indoor Slide Instruction Manual

Model: 331-035V00GY

## IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use of the Qaba Kids Indoor Slide. Failure to follow these instructions may result in serious injury.

- **Adult Supervision Required:** Always supervise children while they are using the slide.
- **Age Range:** This slide is designed for toddlers aged 18 to 36 months.
- **Weight Limit:** Do not exceed the maximum weight capacity of 66 lbs (30 kg).
- **Indoor Use Only:** This product is intended for indoor use on a flat, stable surface.
- **Clearance:** Ensure adequate clear space around the slide to prevent collisions.
- **Regular Inspection:** Periodically check all components for wear, damage, or loose fasteners. Do not use if damaged.
- **No Climbing on Exterior:** Children should only climb the designated stairs and slide down the chute.

## PRODUCT OVERVIEW

The Qaba Kids Indoor Slide is a space-themed playset designed to promote balance, coordination, and motor skills in young children. It features a sturdy polyethylene construction and a design focused on toddler safety and enjoyment.

Image: The Qaba Kids Indoor Slide, gray and white, with a child happily sliding down. The slide features a rocket ship design on its side panels.

### Key Features:

- **Space-Themed Design:** Engaging rocket ship aesthetics to spark imagination.
- **Non-slip Stairs:** Textured steps for secure climbing.
- **Extended Slide:** Provides a gentle deceleration zone for safe landings.
- **Easy-Grip Handrails:** Designed for small hands to maintain balance.
- **Durable Construction:** Made from high-quality polyethylene for stability and longevity.

# SAFETY DESIGN

Prevent your baby from rushing out of the track

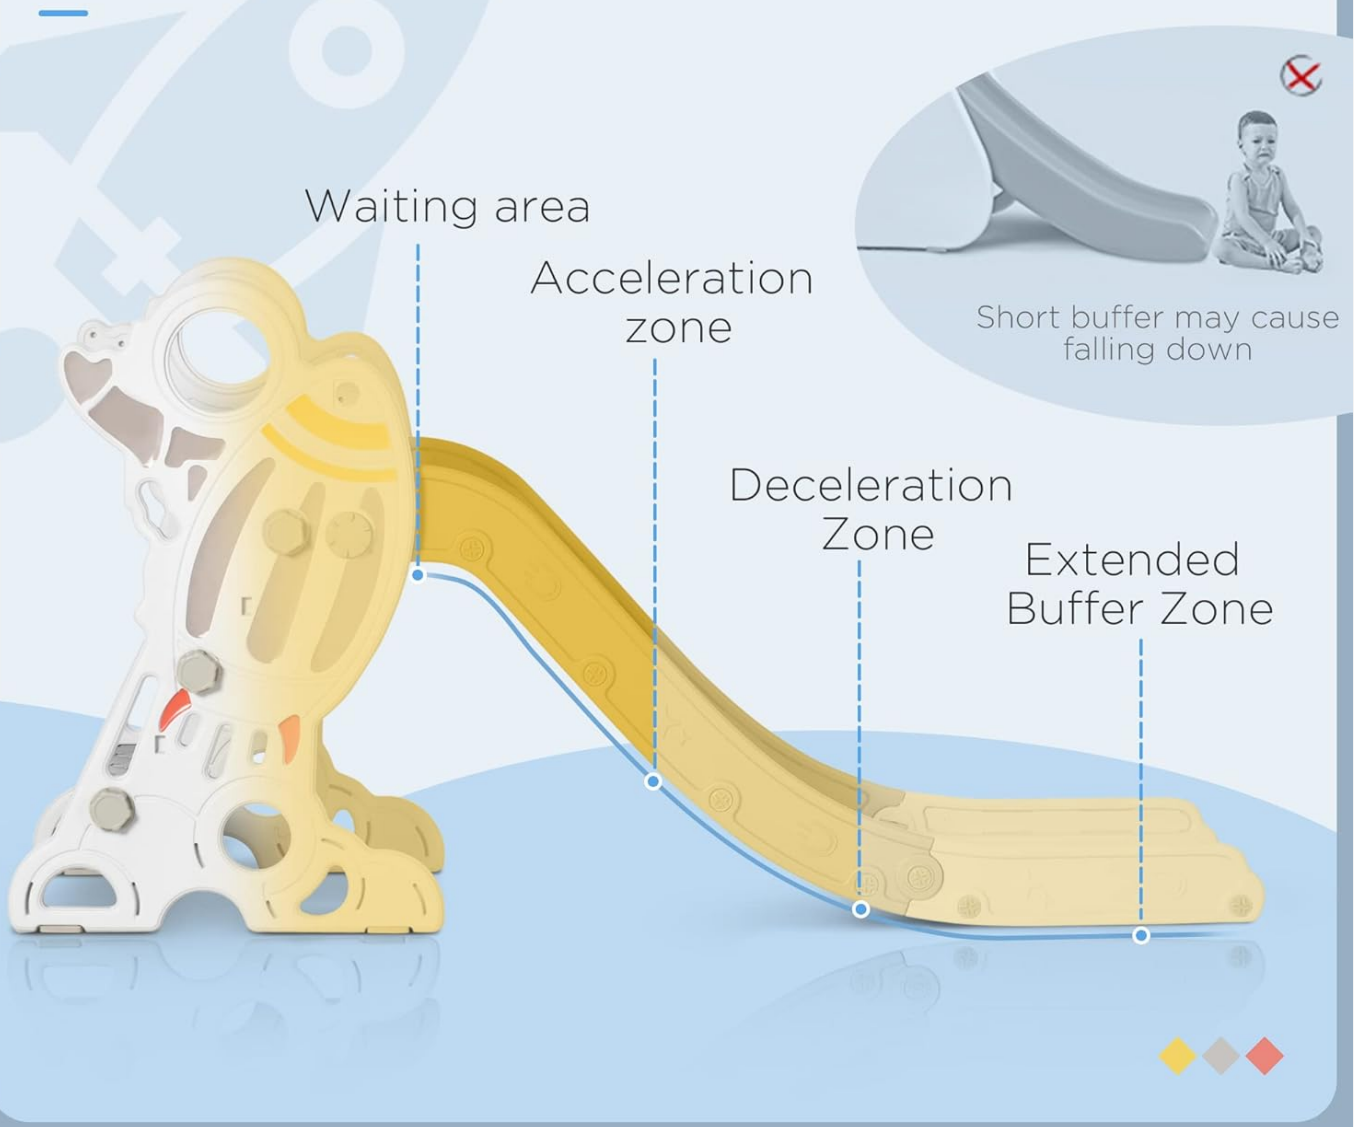

Image: A diagram highlighting the safety features of the slide, including a waiting area, acceleration zone, deceleration zone, and an extended buffer zone to prevent falls.

Image: Multiple close-up views showing the smooth surface of the slide, non-slip stairs, heightened handrails, non-slip pads, colourful stickers, and easy-to-install nuts.

## SETUP AND ASSEMBLY

The Qaba Kids Indoor Slide is designed for easy assembly. Follow these general steps to set up your slide. Refer to the included assembly diagram for detailed part identification and connection points.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list (not provided in this manual, refer to product packaging).
2. **Assemble Side Panels:** Attach the main slide chute to the rocket-themed side panels using the provided easy-to-install nuts. Ensure all connections are secure.
3. **Install Stairs:** Securely attach the non-slip stairs to the climbing side of the structure.
4. **Attach Handrails:** Fasten the easy-grip handrails to the top of the climbing structure.
5. **Final Check:** Before first use, ensure all nuts and bolts are tightened and the slide is stable on a flat surface.

## OPERATING INSTRUCTIONS

---

To ensure a safe and enjoyable experience, follow these operating guidelines:

- **Climbing:** Children should use the designated non-slip stairs to climb to the top of the slide. Encourage them to use the handrails for support.
- **Sliding Position:** Instruct children to sit down at the top of the slide with their feet first.
- **Clear Landing Area:** Ensure the landing area at the bottom of the slide is clear before a child slides down.
- **One Child at a Time:** Only one child should use the slide at a time to prevent collisions.
- **No Head-First Sliding:** Never allow children to slide head-first or stand on the slide.

Image: A close-up view of the smooth, star-patterned surface of the slide chute, designed for a comfortable and unobstructed slide.

## MAINTENANCE

---

Proper maintenance will extend the life of your Qaba Kids Indoor Slide.

- **Cleaning:** Wipe down the slide regularly with a damp cloth and mild soap. Avoid abrasive cleaners.
- **Inspection:** Routinely check all connections, especially the nuts, to ensure they remain tight. Inspect the plastic for cracks, sharp edges, or other damage.
- **Storage:** Store the slide in a cool, dry place away from direct sunlight when not in use for extended periods to prevent material degradation.

## TROUBLESHOOTING

---

If you encounter any issues with your Qaba Kids Indoor Slide, consider the following:

- **Instability:** If the slide feels wobbly, re-check all assembly connections and tighten any loose nuts. Ensure it is placed on a completely flat and level surface.

- **Damaged Parts:** If any part is cracked or broken, discontinue use immediately and contact customer support for replacement parts.

## SPECIFICATIONS

Feature	Detail
Brand	Qaba
Model Number	331-035V00GY
Material	Polyethylene
Color	Gray
Overall Dimensions (L x W x H)	61.75" x 18.25" x 31.5"
Slide Length	53.25"
Maximum Weight Recommendation	66 lbs (30 kg)
Age Range	18-36 months
Assembly Required	Yes
