2. SAFETY INFORMATION

Always follow basic safety precautions when using this television to reduce the risk of fire, electric shock, and injury.

- **Power Source:** Connect the TV only to an AC power outlet of the specified voltage.
- **Ventilation:** Ensure adequate ventilation. Do not block ventilation openings.
- **Water and Moisture:** Do not expose the TV to rain or moisture. Do not place objects filled with liquids on the TV.
- **Cleaning:** Unplug the TV before cleaning. Use a soft, dry cloth. Do not use liquid or aerosol cleaners.
- **Mounting:** Follow instructions for wall mounting or stand installation carefully to prevent injury.
- **Children:** Supervise children to ensure they do not play with the TV.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- Nokia 55 inch (139 cm) 4K UHD Television
- Remote Control (requires 2 AAA batteries, included)
- Power Cable
- User Manual (this document)
- TV Stand components (if applicable)

4. SETUP

4.1 Attaching the Stand or Wall Mounting

Carefully place the TV face down on a soft, flat surface to prevent screen damage. Attach the stand according to the included instructions, ensuring all screws are tightened securely. For wall mounting, use a VESA-compatible bracket (not included) and follow the bracket manufacturer's instructions, ensuring the TV is securely fastened to a sturdy wall.

4.2 Connecting External Devices

Connect your external devices such as set-top boxes, gaming consoles, or sound systems to the appropriate ports on the back of the TV. The TV features multiple HDMI and USB ports, as well as antenna and satellite inputs.

Image 4.2: Rear view of the Nokia Smart TV, illustrating various connectivity ports including LAN, HDMI, Satellite, Antenna, Audio Out, USB, and CI+ slot.

4.3 Initial Power-On and Android TV Setup

1. Connect the power cable to the TV and a wall outlet.
2. Press the power button on the remote control or the TV.
3. Follow the on-screen instructions to complete the initial setup, including language selection, network connection (Wi-Fi or Ethernet), and Google account sign-in.
4. Tune your TV channels using the built-in Triple Tuner (DVB-T2 for terrestrial, DVB-S2 for satellite, DVB-C for cable).

5. OPERATING INSTRUCTIONS

5.1 Remote Control Functions

The included remote control allows you to navigate the Android TV interface, adjust volume, change channels, and access various smart features. The remote is backlit for ease of use in low-light conditions.

5.5 4K UHD Display

Experience crystal clear images with the 4K UHD resolution, offering four times the detail of Full HD. This enhances the viewing experience for movies, shows, and games.

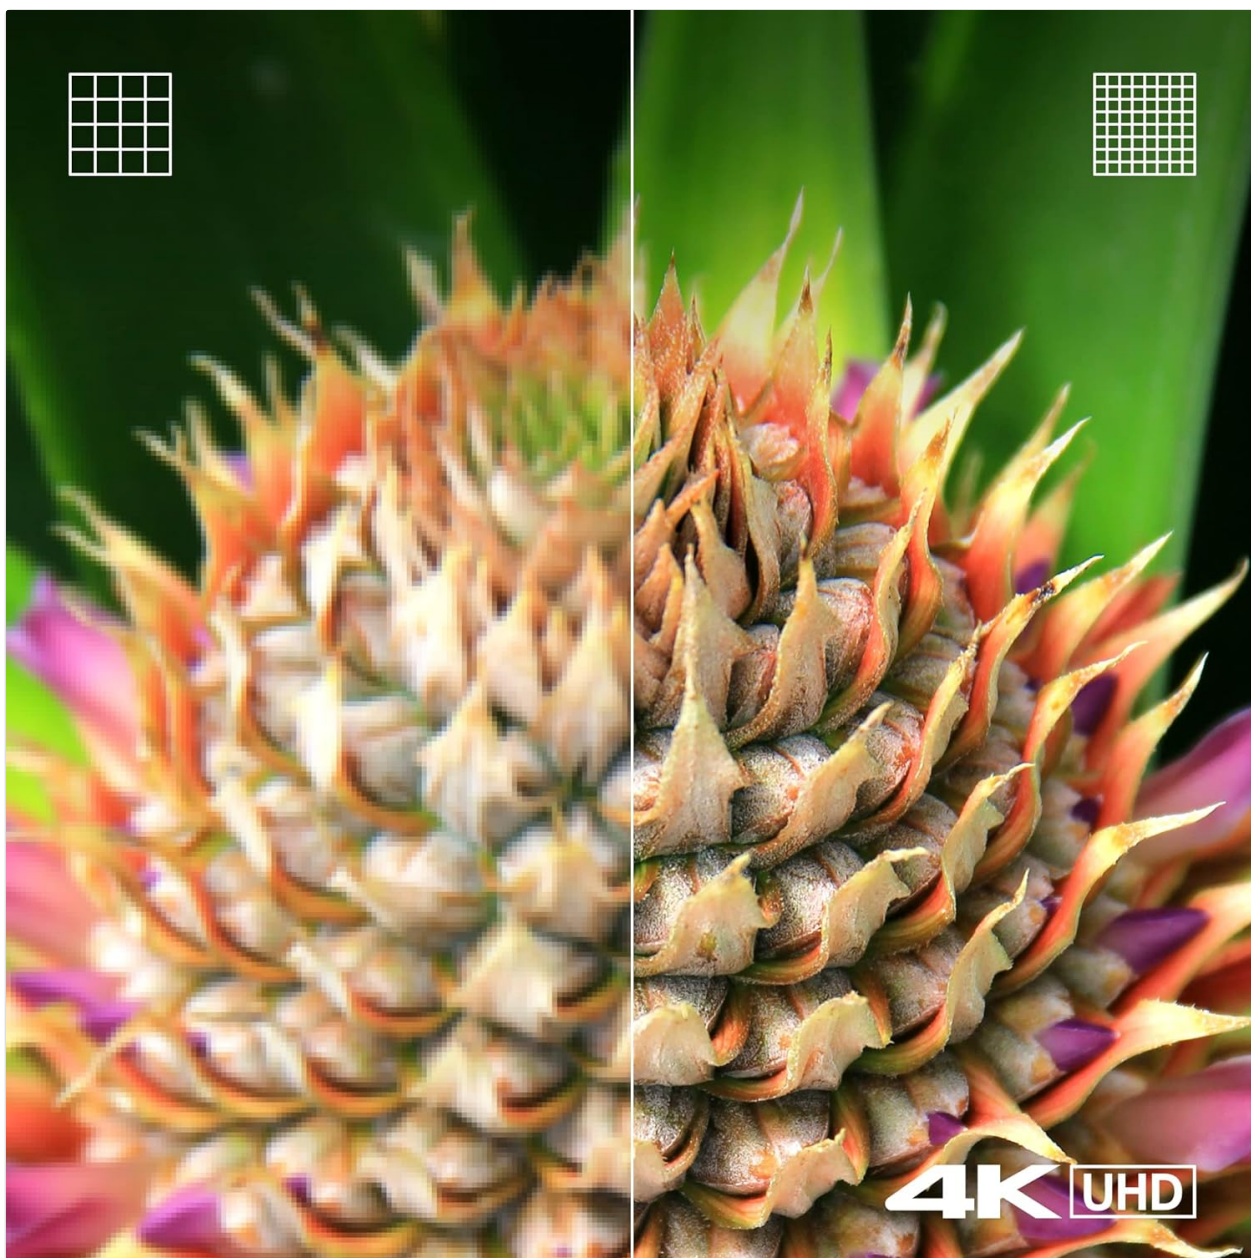

Image 5.5: A visual comparison demonstrating the enhanced detail and clarity of 4K UHD resolution compared to lower resolutions.

6. MAINTENANCE

6.1 Cleaning the Screen

Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, lightly dampen the cloth with water or a specialized screen cleaner. Do not spray liquid directly onto the screen.

6.2 Cleaning the Cabinet

Wipe the TV cabinet with a soft, dry cloth. Avoid using abrasive cleaners or solvents.

6.3 Remote Control Batteries

Replace the AAA batteries in the remote control when its functionality diminishes. Ensure correct polarity when inserting new batteries.

7. TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common problems and solutions:

- **No Power:** Ensure the power cable is securely connected to both the TV and the power outlet. Check if the outlet is functioning.
- **No Picture/Sound:** Verify that the correct input source is selected. Check cable connections to external devices.
- **Poor Picture Quality:** Adjust picture settings (brightness, contrast, sharpness). Ensure the signal source is high quality.
- **Remote Control Not Working:** Check and replace batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
- **Network Connection Issues:** Restart your router and modem. Reconnect the TV to your Wi-Fi network or check the Ethernet cable connection.
- **Android TV Freezing:** Try restarting the TV by unplugging it from the power outlet for a few minutes, then plugging it back in.

For persistent issues, contact customer support.

8. SPECIFICATIONS

Feature	Specification
Brand	Nokia
Model Name	Nokia 55
Item Model Number	UN55GV310I (derived from product title)
Screen Size	55 Inches (139 cm)
Display Technology	LED, LCD
Resolution	4K (3840 x 2160 pixels)
Refresh Rate	60 Hz
