MAINTENANCE

Cleaning

Regularly clean your smartwatch and strap to prevent skin irritation and maintain device functionality. Use a soft, damp cloth. Do not use harsh chemicals or abrasive materials.

Water Resistance (IP67)

The Marea Smartwatch B59008/1 has an IP67 water resistance rating. This means it is protected against dust ingress and can withstand immersion in water up to 1 meter for up to 30 minutes. It is suitable for daily use, such as washing hands or light rain. However, it is not recommended for swimming, showering with hot water, or diving, as steam and high water pressure can damage the device.

Battery Care

To prolong battery life, avoid fully discharging the battery frequently. Charge the device when the battery level is low.
