## GOWENIC GOWENICu4rwc51mv6-11

# GOWENIC Bluetooth Remote Control User Manual

Model: GOWENICu4rwc51mv6-11 | Brand: GOWENIC

## 1. INTRODUCTION

---

This manual provides detailed instructions for the GOWENIC Bluetooth Remote Control (Model: GOWENICu4rwc51mv6-11). Please read this manual carefully before using the product to ensure proper operation and to maximize its lifespan. This device is designed to enhance your mobile phone experience by providing remote control for various functions such as scrolling, page turning, camera shutter, and volume adjustment.

## 2. PACKAGE CONTENTS

---

Please verify that all items listed below are included in your package:

- 1 x Mobile Phone Bluetooth Remote (Black)
- 1 x Instruction Manual
- 1 x USB Charging Cable

## 4. SETUP

---

### 4.1 Charging the Remote Control

Before first use, fully charge the remote control using the provided charging cable. Connect the small end of the USB cable to the remote's charging port and the other end to a standard USB power adapter (not included) or a computer's USB port. The charging indicator will show the charging status.

### 4.2 Bluetooth Pairing

Follow these steps to pair your GOWENIC Bluetooth Remote Control with your mobile phone:

1. Ensure the remote control is sufficiently charged.
2. Long press the power button (center button) on the remote control to turn it on. The indicator light will flash, indicating it's in pairing mode.
3. On your mobile phone, navigate to the Bluetooth settings.
4. Search for available devices. The remote control should appear as 'BT Remote' or a similar name.
5. Select the device to pair. Once paired, the indicator light on the remote will stop flashing and remain solid or turn off, depending on the model.
6. The remote is now ready for use.

## 5. OPERATING INSTRUCTIONS

---

The GOWENIC Bluetooth Remote Control offers intuitive button functions for various applications.

### 5.1 Basic Controls

- **Power Button (Center):**

- **Long press:** Power On/Off.
- **Single click:** Pause/Play (for media), or take a photo (in camera mode).
- **Double click:** 'Like' function (in short video apps).
- **Up Button (Top):**
  - **Single click:** Turn page up (in e-readers/browsers), scroll up.
  - **Double click:** Turn page left.
  - **Long press:** Increase volume.
- **Down Button (Bottom):**
  - **Single click:** Turn page down (in e-readers/browsers), scroll down.
  - **Double click:** Turn page right.
  - **Long press:** Decrease volume.

## 5.2 Using with Applications

This remote control is compatible with a variety of mainstream short video applications, camera apps, and e-reader applications. Its functions are designed to work seamlessly across these platforms for enhanced control.

# The method of use is very simple

You can use this little ring to control your phone with one click, it can help you take pictures, watch videos, and read e books.

## 6. MAINTENANCE

---

To ensure the longevity and optimal performance of your GOWENIC Bluetooth Remote Control, follow these maintenance guidelines:

- Keep the device dry. Moisture can damage internal circuits.
- Avoid extreme temperatures. Do not expose to direct sunlight or very cold environments.
- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Store in a safe place when not in use to prevent physical damage.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your GOWENIC Bluetooth Remote Control, please refer to the following common problems and solutions:

- **Remote not turning on:** Ensure the device is fully charged. If the issue persists, try charging with a different USB port or cable.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the remote is in pairing mode (flashing indicator light). Try restarting both the phone and the remote. Ensure the remote is not already paired with another device.
- **Functions not working:** Check if the remote is successfully paired. Some app functions might require specific settings or permissions on your phone. Ensure the remote is within the effective Bluetooth range (approximately 10 meters).
- **Short battery life:** Ensure the device is fully charged before each use. Battery life can vary based on usage patterns.
