HON Mod Desk Hutch Instruction Manual

Model: HLPLDH66.LJA1

[Setup](#)[Operation](#)[Maintenance](#)[Troubleshooting](#)[Specifications](#)[Support](#)

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your HON Mod Desk Hutch. Please read these instructions carefully before beginning assembly and retain this manual for future reference. The HON Mod Desk Hutch is designed to provide additional storage and an organized workspace when mounted on a compatible 66" wide desk or credenza.

SETUP AND ASSEMBLY

Unpacking and Inspection

Carefully unpack all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify that all parts listed in the packing list are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact HON customer support for assistance.

Tools Required

- Phillips head screwdriver
- Flathead screwdriver (optional, for some fasteners)
- Rubber mallet (optional, for gentle tapping)

Assembly Steps

Assembly of the HON Mod Desk Hutch requires two people for safe and efficient installation. Follow the detailed instructions provided in the separate assembly guide included with your product. General steps include:

1. Attach side panels to the base panel.
2. Install shelves and dividers into designated slots.
3. Secure the top panel.

4. Mount the assembled hutch onto a compatible 66" wide HON Mod desk or credenza using the provided hardware. Ensure all connections are tight and secure for stability.

Figure 1: HON Mod Desk Hutch with dimensions. The hutch measures 39.75 inches in height, 66 inches in width, and 14 inches in depth. It features multiple open storage compartments and a Java Oak finish.

OPERATION AND USE

The HON Mod Desk Hutch is designed to enhance your workspace by providing accessible storage. Utilize the open compartments for organizing documents, books, office supplies, or decorative items. Ensure that items are placed evenly to maintain balance and stability. Avoid overloading shelves beyond their intended capacity.

CARE AND MAINTENANCE

Cleaning

To clean the hutch, wipe surfaces with a damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals or abrasive cleaning materials, as these can damage the laminate finish. Dry surfaces immediately after cleaning to prevent moisture damage.

General Care

- Periodically check all fasteners and connections to ensure they remain tight. Tighten if necessary.
- Avoid exposing the hutch to direct sunlight or extreme temperature changes, which can affect the finish and material integrity.
- Do not place hot items directly on the surface without protective padding.

TROUBLESHOOTING

Stability Issues

If the hutch feels unstable after assembly, ensure it is properly mounted to the desk or credenza and all mounting hardware is securely fastened. Verify that the desk or credenza itself is on a level surface. Uneven weight distribution on shelves can also affect stability; redistribute items if necessary.

Damaged or Missing Parts

If you discover damaged or missing parts during unpacking or assembly, do not attempt to force assembly. Contact HON customer support immediately for replacement parts or guidance.

PRODUCT SPECIFICATIONS

Brand	HON
Model Number	HLPLDH66.LJA1
Model Name	HON Mod Desk Hutch, No Doors, 66"W
Product Dimensions (D x W x H)	14"D x 66"W x 39.75"H
Color	Java Oak (brown)
