ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your ODK Vanity Desk. All parts are clearly labeled in the packaging. It is recommended to have two people for assembly.

Step 1: Prepare Components

Unpack all components and verify against the parts list. Ensure all parts are present and in good condition. Lay out the parts on a clean, soft surface to prevent scratches.

Step 2: Install Adjustable Foot Pads

Attach the adjustable foot pads (part #6) to the bottom of the leg frames (parts E and F). Screw them in until snug, but do not overtighten.

Step 3: Assemble Side Frames

Connect the horizontal support bars (part B) to the leg frames (parts E and F) using screws (part #1). Ensure the screw holes align correctly. Do not fully tighten screws until all parts are in place.

Step 4: Attach Desk Frame

Connect the main desk frame (part D) to the assembled side frames (E and F) using screws (part #1). Pay attention to the orientation: part F has more screw holes on one side facing outward, and part D's side with more screw holes faces upwards. Do not fully tighten screws yet.

Step 5: Install Crossbars

Install the X-shaped crossbars (part H) to connect parts E and D, and F and D, using screws (part #4). These provide additional stability. Do not fully tighten screws.

Step 6: Secure Desk Top

Place the desktop (part A) onto the assembled frame. Align the screw holes and secure it using screws (part #2). Ensure the steel frame on the back of the desk is aligned with the edge of the desk board. Do not fully tighten screws.

Step 7: Assemble and Insert Drawers

Assemble the fabric drawers (part C) by inserting the bottom panel and attaching the handles (part #5). Once assembled, slide the drawers into their designated slots in the desk frame.

Step 8: Install Hook and Final Tightening

Install the hook (part #3) on either the left or right side of the desk using screws (part #4). Once all components are in place, go back and securely tighten all screws on the entire desk frame and desktop.

MAINTENANCE

To ensure the longevity and appearance of your ODK Vanity Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desktop and frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. The particleboard is waterproof and easy to clean.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the surface.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting.
- **Tighten Screws:** Periodically check and tighten all screws to maintain stability and prevent wobbling.
- **Avoid Excessive Weight:** Do not exceed the maximum weight capacity of 110 lbs for the desktop and 10 lbs per drawer.

TROUBLESHOOTING

If you encounter any issues with your ODK Vanity Desk, refer to the following common solutions:

- **Wobbly Desk:** Ensure all screws are securely tightened. Adjust the foot pads on the bottom of the legs to stabilize the desk on uneven surfaces.
- **Drawers Not Sliding Smoothly:** Check that the drawers are assembled correctly and inserted properly into the frame. Ensure no items are obstructing their movement.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately for assistance.
