## Bobtot ET18

# Bobtot Portable Bluetooth Speaker User Manual

Model: ET18 (Cutie) | Brand: Bobtot

## INTRODUCTION

Thank you for choosing the Bobtot Portable Bluetooth Speaker. This compact and versatile speaker is designed to provide high-quality audio with the convenience of portability and hands-free functionality. With its durable, waterproof design and long-lasting battery, it's perfect for various indoor and outdoor activities. Please read this manual carefully to ensure proper use and to maximize your listening experience.

## WHAT'S IN THE BOX

- Speaker
- Charging cord
- Carrying strap
- User manual

## PRODUCT OVERVIEW

The Bobtot Portable Bluetooth Speaker, showcasing its compact and sleek design in pink.

Key features include loud stereo sound, Bluetooth 5.0, rechargeable battery, hands-free calling, waterproof design, and compact size.

The Bobtot Portable Bluetooth Speaker (Model: Cutie) offers a powerful 5W stereo sound with well-balanced audio, crisp treble, and punchy bass, ensuring a distortion-free listening experience even at maximum volume. Its IPX5 waterproof rating makes it suitable for use in various environments, including by the pool or in the shower.

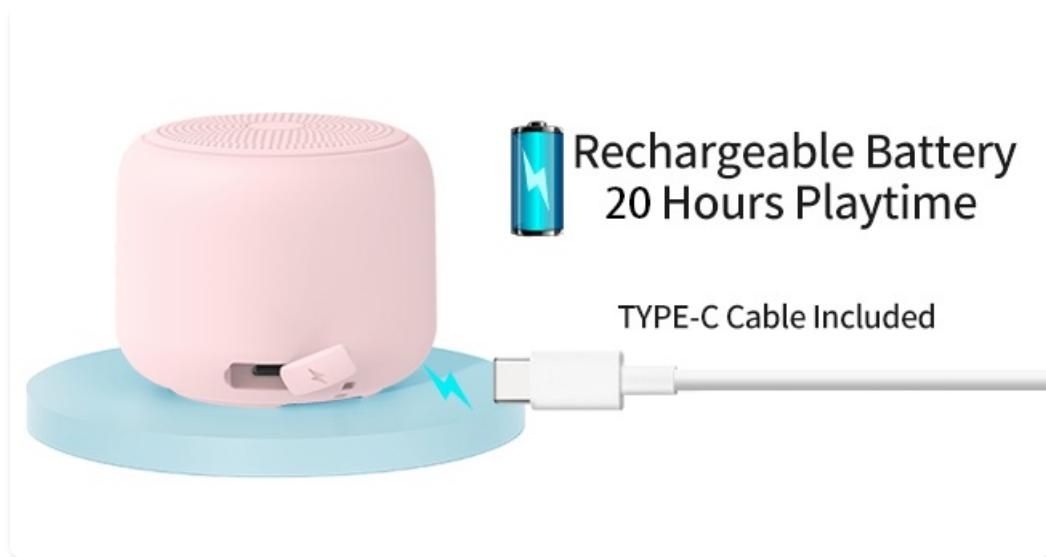

# Compact Size

Smaller Than Iphone, Lighter Than 0.5LB

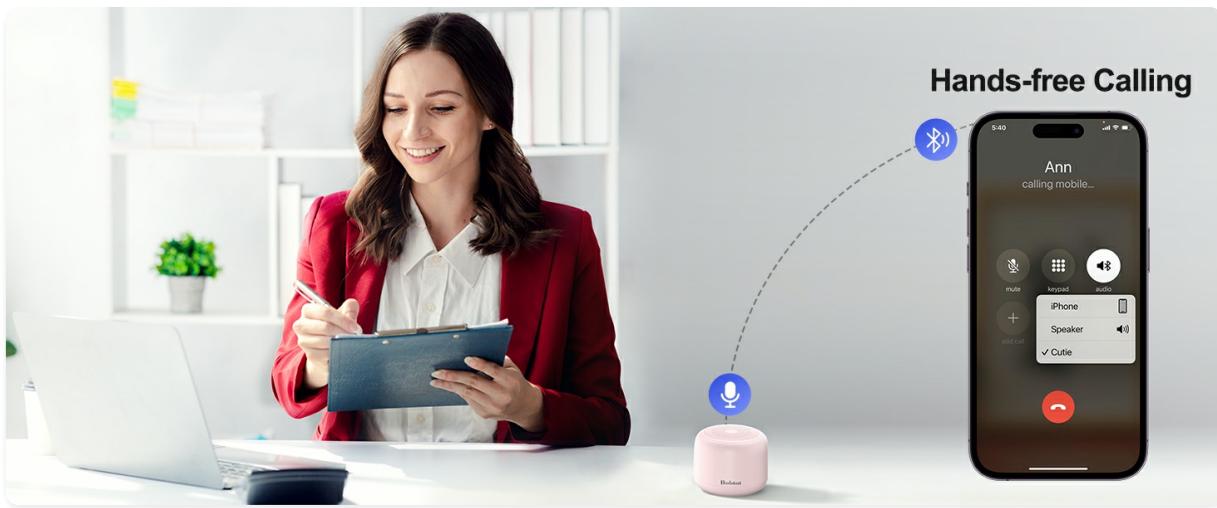

The speaker's compact size, smaller than an iPhone and weighing less than 0.5 pounds, makes it highly portable.

Equipped with Bluetooth 5.0 technology, the speaker provides a stable and extended wireless range of up to 33 feet, compatible with laptops, iPhones, iPads, computers, and TVs. The built-in 1200mAh rechargeable battery offers an impressive playtime of up to 20 hours on a full charge, allowing for extended music enjoyment.

The speaker features a convenient Type-C charging port for quick and easy recharging.

For added convenience, the speaker includes a built-in microphone for hands-free calling, making it ideal for multitasking. A convenient strap-to-anything lanyard is also included, allowing you to easily attach it to your handbag, backpack, car, or bike.

Enjoy your music on the go with the speaker's portable design and included carrying strap.

## SETUP

### 1. Initial Charging

Before first use, fully charge your Bobtot speaker. Connect the provided Type-C charging cord to the speaker's charging port and plug the other end into a compatible USB power adapter (not included). The charging time is approximately 3.8 hours for a full charge. You can continue to use the speaker while it is charging.

### 2. Power On/Off

Locate the control buttons on the bottom of the speaker for power, playback, and call management.

To power on the speaker, **long press** the power button (usually indicated by a power symbol) located on the bottom of the speaker. A blue light will illuminate, and you will hear an audible beep indicating it's ready for pairing. To power off, **long press** the same button again.

### 3. Bluetooth Pairing

Once powered on, the speaker will automatically enter Bluetooth pairing mode. On your device (smartphone, tablet, laptop, etc.), enable Bluetooth and search for available devices. Select "Bobtot Cutie" (or similar name) from the list. Once connected, the speaker will confirm with an audible notification.

## OPERATING INSTRUCTIONS

## Music Playback

- **Play/Pause:** Short press the Play/Pause button (center button) on the bottom of the speaker.
- **Volume Up/Next Song:** Long press the "+" button to increase volume. Short press the "+" button to skip to the next song.
- **Volume Down/Previous Song:** Long press the "-" button to decrease volume. Short press the "-" button to go to the previous song.

## Hands-Free Calling

Utilize the built-in microphone for convenient hands-free calls.

- **Answer/End Call:** Short press the phone icon button on the bottom of the speaker.
- **Reject Call:** Long press the phone icon button.

## MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Water Exposure:** While the speaker is IPX5 waterproof, avoid prolonged submersion in water. Ensure the charging port cover is securely closed when exposed to water.
- **Storage:** Store the speaker in a cool, dry place away from extreme temperatures and direct sunlight when not in use for extended periods.

## TROUBLESHOOTING

Problem	Possible Solution
Speaker does not turn on.	Ensure the battery is charged. Long press the power button.
Cannot pair with device.	Ensure speaker is in pairing mode (blue light flashing). Turn off and on Bluetooth on your device. Move speaker closer to device. Forget previous pairings on your device and try again.
No sound or low volume.	Increase volume on both the speaker and your connected device. Ensure speaker is properly connected. Check if the speaker is charging, as some devices may limit volume when charging.

Problem	Possible Solution
Sound is distorted.	Reduce volume on both the speaker and your connected device. Move speaker closer to device to avoid interference. Ensure the audio source quality is good.
iPhone volume is too low.	On your iPhone, go to Settings > Sound & Haptics > Headphone Safety and disable "Reduce Loud Sounds" if it's enabled. Your iPhone might be incorrectly identifying the speaker as headphones.

## SPECIFICATIONS

Feature	Detail
Model Name	Cutie
Item Model Number	ET18
Brand	Bobtot
Color	Pink
Product Dimensions	2.55"D x 2.55"W x 2.15"H
