Mondeer FHWR89KG-G1N

Mondeer Meerveil Wall Mounted Coat Rack with Shelf User Manual

Model: FHWR89KG-G1N

PRODUCT OVERVIEW

The Mondeer Meerveil Wall Mounted Coat Rack with Shelf is designed to provide practical storage and organization for various spaces such as hallways, entryways, bedrooms, kitchens, and living rooms. It features a modern design with a wooden shelf and five metal hooks, offering both hanging space and a surface for small items.

SETUP AND INSTALLATION

This coat rack is designed for easy assembly and wall mounting. All necessary accessories and mounting hardware are included in the product packaging. Please follow the instructions carefully to ensure secure installation.

Required Tools (Not Included):

- Drill
- Pencil
- Measuring Tape
- Level

- Screwdriver

Installation Steps:

1. **Unpack and Verify:** Carefully unpack all components and compare them with the parts list provided in your assembly instructions to ensure all pieces are present and undamaged.
2. **Mark Drilling Points:** Hold the coat rack against the desired wall location. Use a level to ensure it is straight. Mark the drilling points for the mounting screws with a pencil.
3. **Drill Holes:** Using an appropriate drill bit for your wall type (e.g., masonry for concrete, wood for studs), drill holes at the marked points.
4. **Insert Wall Plugs:** Insert the provided wall plugs (if applicable for your wall type) into the drilled holes.
5. **Mount the Rack:** Align the coat rack with the drilled holes and secure it to the wall using the provided screws. Tighten the screws firmly but do not overtighten.
6. **Attach Screw Covers:** Place the decorative screw covers over the exposed screw heads for a finished appearance.

OPERATING INSTRUCTIONS

The Meerveil Coat Rack with Shelf is designed for convenient storage of various items.

Using the Hooks:

- Hang coats, jackets, hats, scarves, bags, and other accessories on the five metal hooks.
- Each hook has a maximum weight capacity of **3 kg (6.6 lbs)**. Do not exceed this limit per hook to ensure stability and prevent damage.

Using the Shelf:

- The top shelf can be used to place small decorative items, keys, wallets, or other lightweight objects.
- The maximum weight capacity for the shelf is **15 kg (33 lbs)**. Distribute weight evenly across the shelf.

Image: The coat rack in use, displaying a handbag, a jacket, and a scarf hanging from the hooks, and a small diffuser and framed picture on the shelf.

MAINTENANCE

Proper maintenance will extend the life and appearance of your coat rack.

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Inspection:** Periodically check the mounting screws to ensure they remain tight and secure. Retighten if necessary.
- **Avoid Overloading:** Adhere to the specified weight limits for both the hooks and the shelf to prevent structural stress or damage.

TROUBLESHOOTING

If you encounter any issues with your coat rack, consider the following common solutions:

- **Rack feels loose on the wall:** This typically indicates that the mounting screws are not sufficiently tightened or the wall plugs are not properly seated. Re-check the installation steps and tighten all screws. Ensure the wall material is suitable for the chosen mounting hardware.
- **Hooks are bending or breaking:** This is usually a sign of overloading. Ensure that the weight on each hook does not exceed 3 kg (6.6 lbs). Distribute items evenly across the hooks.
- **Shelf is sagging:** Overloading the shelf can cause it to sag. Ensure the total weight on the shelf does not exceed 15 kg (33 lbs) and that weight is distributed evenly.

SPECIFICATIONS

Brand	Mondeer
Manufacturer	Meerveil
Model Number	FHWR89KG-G1N
Material	Metal, Wood
Color	Gray
Dimensions (L x W x H)	80 cm x 6 cm x 15 cm (31.5 x 2.36 x 5.91 inches)
Number of Hooks	5
Max Load per Hook	3 kg (6.6 lbs)
Max Load for Shelf	15 kg (33 lbs)
Mounting Type	Wall Mount
Item Weight	2.5 kg (5.5 lbs)
