## SAFETY INFORMATION

Please read and understand all safety precautions before using the ear cleaning tool set.

- **Consult a professional:** If you have any ear conditions, infections, or concerns, consult a medical professional before using these tools.
- **Use with caution:** Always use the tools gently and avoid inserting them too deeply into the ear canal to prevent injury to the eardrum or inner ear.
- **Not for children:** Keep out of reach of children. These tools are not toys.

- **Clean before and after use:** Ensure all tools are thoroughly cleaned and disinfected before and after each use to prevent infections.
- **Discontinue use if discomfort occurs:** If you experience any pain, discomfort, or unusual sensations, stop using the tools immediately and seek medical advice.

## SETUP

The Sonew Ear Cleaning Tool Set is designed for easy setup and storage.

1. **Unroll the Bamboo Mat:** Gently untie the twine binding and unroll the bamboo mat to reveal the tool compartments.
2. **Organize Tools:** Each tool has a designated slot within the mat. Ensure all tools are securely placed in their respective positions.
3. **Inspect Tools:** Before first use, and before each subsequent use, inspect all tools for any damage or wear. Do not use damaged tools.

## OPERATING INSTRUCTIONS

Use the tools carefully and gently for optimal results.

## Using the Ear Digging Spoon (Ear Pin)

1. **Preparation:** Ensure the ear spoon is clean. Sit in a well-lit area.
2. **Gentle Insertion:** Carefully insert the slender digging spoon into the outer part of the ear canal. Do not insert deeply.
3. **Wax Removal:** Gently scoop out visible earwax, debris, and dust from the ear holes. Avoid pushing wax further into the ear.
4. **Clean Regularly:** Wipe the spoon clean after each scoop to prevent reintroducing debris.

### Deep Earwax Removal, Instant Clarity

Precision stainless steel spoon gently scoops out wax, debris & dust. Improves hearing and leaves ears utterly clean.

## Using the Goose Feather Quills

1. **Preparation:** Ensure the feather quill is clean.
2. **Gentle Stimulation:** Gently rotate the feather quill inside and outside the ear canal. This is intended for stimulation and massage, not deep cleaning.
3. **Relaxation:** The soft feathers are designed to soothe and relax the ear, providing a comfortable sensation.
4. **Variety:** Experiment with different feather quills to find the most comfortable and relaxing sensation.

### Feather-Gentle Massage, Nerve Soothing

Premium goose down rotates inside your ear canal, stimulating meridians and releasing deep-seated stress. *Feel the relaxation* spread through your entire body.

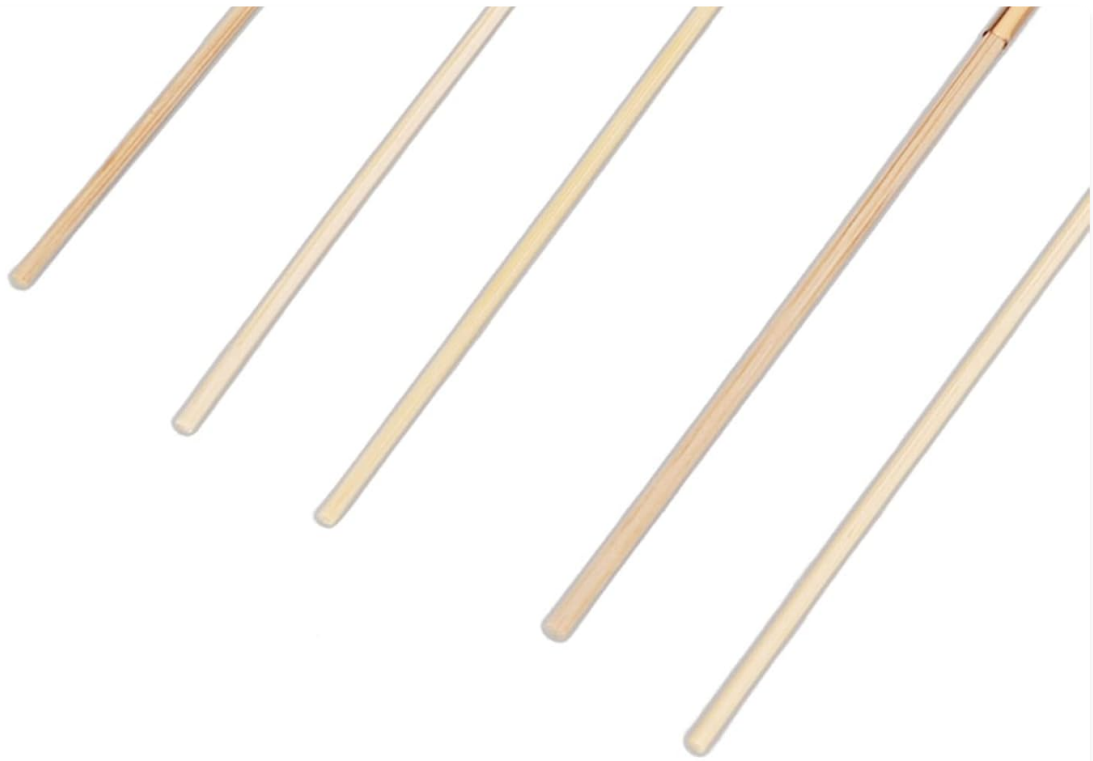

**7 Soft Goose Feathers | Reinforced Anti-Shedding Design**

## MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your ear cleaning tool set.

1. **Cleaning Tools:** Wash the ear digging spoon thoroughly with soap and water before and after each use. For feather quills, gently clean with a damp cloth and mild soap if necessary, ensuring they are completely dry before storage.
2. **Drying:** Ensure all tools are completely dry before storing them to prevent mildew or damage.
3. **Storage:** After cleaning and drying, place all tools back into their designated slots in the bamboo mat. Roll up the mat and secure it with the twine binding. Store in a cool, dry place.
4. **Bamboo Mat Care:** The bamboo mat is durable and not easily susceptible to mildew. Keep it dry to maintain its condition.

## TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions.

Problem	Possible Cause / Solution
---------	---------------------------

Problem	Possible Cause / Solution
Tools feel ineffective for wax removal.	Ensure you are using the slender ear digging spoon. For stubborn or impacted wax, consult a medical professional. Do not force the tool.
Discomfort or pain during use.	Stop immediately. You may be inserting the tool too deeply or applying too much pressure. If pain persists, consult a doctor.
Feathers on quills seem to shed.	The clean ear feathers are reinforced. If shedding occurs, it may be minimal. If excessive, discontinue use of that specific quill.
Tools are not staying organized in the mat.	Ensure each tool is placed firmly into its individual slot. Roll the mat tightly and secure the twine binding.
