Sauder 431268

Sauder International Lux Wall-Mount Entryway Shoe Cabinet with Mirror User Manual

Model: 431268 (International Lux)

Brand: Sauder

PRODUCT OVERVIEW

The Sauder International Lux Wall-Mount Entryway Shoe Cabinet with Mirror is a two-piece solution designed to organize your entryway efficiently. This unit includes a wall-mounted shoe storage cabinet and a complementary mirror, optimizing floor space while providing concealed storage. The cabinet features two tilt-out doors that reveal storage compartments for shoes. Its top shelf can be used for decorative items, while the shelf underneath is ideal for keys, wallets, or cell phones. The mirror component offers additional hidden storage, including a shelf and four hanging hooks, allowing for a convenient spot to check your appearance before leaving. The unit is finished in Sindoori Mango with a powder-coated metal frame for enhanced durability.

Key Features

- Two-piece solution: shoe cabinet and mirror.
- Wall-supported design to save floor space and improve organization.
- Cabinet features two tilt-out doors for concealed shoe storage.
- Open cabinet shelf for additional storage of small items like phones or keys.
- Mirror includes hidden storage with a shelf and four hanging hooks.
- Durable powder-coated metal frame.
- Sindoori Mango finish.
- Engineered wood construction.
- Assembled dimensions: L: 30.24" x W: 10.19" x H: 44.02".
- 5-year limited warranty.

SAFETY INFORMATION

Always adhere to the proper installation instructions to securely mount the cabinet on the wall. Exercise caution when operating the tilt-out doors and accessing hidden storage areas to prevent potential pinch points or entrapment. Ensure the area around the cabinet remains clear of obstructions to minimize any potential hazards.

SETUP AND ASSEMBLY

This product requires assembly. Before beginning, ensure all components and hardware are present by comparing them against the parts list provided in the manufacturer's assembly instructions. Follow the step-by-step guide carefully for proper construction and wall mounting. It is crucial to securely fasten the unit to a wall stud using

appropriate hardware to prevent tipping and ensure stability. Two people are recommended for assembly and installation.

OPERATING INSTRUCTIONS

The shoe cabinet features two tilt-out doors. To access the shoe compartments, gently pull the top edge of each door outwards. The doors will tilt down, revealing multiple shelves designed to store shoes. To close, push the door upwards until it clicks securely into place. The top surface of the cabinet provides an open shelf for displaying items or storing frequently used accessories. The mirror component is designed to be wall-mounted and includes hidden storage behind it, accessible by swinging the mirror open. This hidden area contains a shelf and four hooks for additional organization.

MAINTENANCE

To maintain the appearance and longevity of your Sauder International Lux cabinet and mirror, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the engineered wood.
- **Mirror Care:** Clean the mirror surface with a standard glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; instead, apply it to the cloth first.
- **Metal Frame:** The powder-coated metal frame can be cleaned with a damp cloth. Avoid scratching the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain structural integrity.

TROUBLESHOOTING

If you encounter issues with your Sauder International Lux unit, consider the following:

- **Stability Issues:** If the cabinet feels wobbly, ensure it is properly mounted to a wall stud and all assembly hardware is securely tightened. Refer to the assembly instructions for correct wall mounting procedures.
- **Tilt-Out Doors Not Closing Properly:** Check for any obstructions within the shoe compartments or along the door's mechanism. Ensure shoes are not overfilling the compartments, preventing the door from closing fully.
- **Missing Parts or Damaged Components:** If you discover any missing parts or damaged components upon unboxing, do not proceed with assembly. Contact Sauder customer support directly for assistance and replacement parts.
- **General Wear and Tear:** Over time, minor wear may occur. Regular cleaning and maintenance as described in the 'Maintenance' section can help prolong the product's lifespan.

SPECIFICATIONS

Attribute	Detail
Brand	Sauder
Model Name	International Lux
Item Model Number	431268
UPC	042666116527
Color	Sindoori Mango
Product Dimensions (D x W x H)	10.12"D x 30.24"W x 44.02"H
