Iwell Storage Cabinets

Iwell Storage Cabinet with 2 Doors and 4 Shelves

MODEL: STORAGE CABINETS

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Iwell Storage Cabinet. Please read this manual thoroughly before assembly and retain it for future reference. This cabinet is designed to offer versatile storage solutions for various rooms in your home or office.

2. Safety Information

WARNING: Do not exceed the weight limit of 199.98 pounds. Secure the cabinet to the wall with the provided anti-tip kit to prevent it from tipping over. Failure to do so may result in serious injury or property damage.

- Ensure all parts are present and undamaged before beginning assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Keep small parts away from children during assembly.
- Always use the anti-tip kit to secure the cabinet to a wall.

3. Package Contents

Verify that all components listed below are included in your package:

- Cabinet panels (top, bottom, sides, back)
- 2 Doors
- 4 Shelves (adjustable)
- Hardware kit (screws, dowels, hinges, handles, magnetic catches, anti-tip kit)
- Assembly Instructions

4. Assembly Instructions

Assembly is straightforward and typically takes approximately 30 minutes. Follow the clear illustrations and numbered parts provided in the included assembly guide. It is recommended to lay out all hardware and parts before starting.

1. Identify all components and hardware.
2. Attach the side panels to the base and top panels using the provided screws and dowels.
3. Insert the back panel into the grooves.
4. Install the hinges onto the doors and then attach the doors to the cabinet frame.
5. Attach the solid wood handles to the doors.
6. Install the magnetic door catches to ensure doors close securely.
7. Insert the adjustable shelves into your desired positions. The shelves offer 3 adjustable heights.
8. Secure the cabinet to the wall using the anti-tip kit.
