

MPKKE B0BV6G55DF (Compatible with GrandStream BT-100, Budge Tone 101/102)

MPKKE AC Adapter User Manual

For GrandStream BT-100, Budge Tone 101, and Budge Tone 102 Telephones

1. INTRODUCTION

This manual provides essential instructions for the safe and effective use of your MPKKE AC Adapter. Please read this manual thoroughly before using the product and retain it for future reference.

This AC adapter is designed to provide power to compatible GrandStream BT-100, Budge Tone 101, and Budge Tone 102 telephone models.

2. SAFETY INFORMATION

Observe the following safety precautions to prevent damage to the adapter or connected devices, and to ensure personal safety:

- Do not expose the adapter to water or excessive moisture.
- Do not disassemble or modify the adapter.
- Ensure the voltage of the power outlet matches the adapter's input specifications (100V-240V).
- Avoid placing the adapter in direct sunlight or near heat sources.
- Keep out of reach of children.
- Disconnect the adapter from the power outlet when not in use for extended periods.

3. PACKAGE CONTENTS

Verify that your package contains the following item:

- 1 x MPKKE AC Adapter

4. SETUP

1. **Identify the Device:** Ensure your device is a GrandStream BT-100, Budge Tone 101, or Budge Tone 102 telephone, which requires a compatible AC adapter.
2. **Locate the Power Port:** Find the DC power input port on your telephone device.
3. **Connect the Adapter:** Insert the DC output plug of the MPKKE AC Adapter into the power input port of your telephone. Ensure a secure connection.
4. **Plug into Power Outlet:** Insert the AC input plug of the adapter into a standard electrical wall outlet (100V-240V, 50/60Hz).

5. OPERATING INSTRUCTIONS

Once properly connected, the AC adapter will supply power to your GrandStream telephone. The telephone should power on automatically or can be turned on using its power button, if applicable.

- The adapter is designed for continuous operation.
- No user interaction is required for the adapter itself once connected.

6. MAINTENANCE

The MPKKE AC Adapter requires minimal maintenance:

- Keep the adapter clean and free from dust. Use a dry, soft cloth for cleaning.
- Regularly inspect the cable and connectors for any signs of damage. If damage is observed, discontinue use immediately.
- Store the adapter in a cool, dry place when not in use.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device not powering on.	<ul style="list-style-type: none">◦ Adapter not properly plugged into outlet.◦ DC plug not fully inserted into device.◦ Power outlet is not active.◦ Adapter or device is faulty.	<ul style="list-style-type: none">◦ Ensure adapter is securely plugged into a live outlet.◦ Verify the DC plug is fully inserted into the telephone's power port.◦ Test the outlet with another device.◦ If issues persist, contact support or consider replacing the adapter.
Adapter feels unusually hot.	<ul style="list-style-type: none">◦ Overload or internal fault.◦ Poor ventilation.	<ul style="list-style-type: none">◦ Immediately unplug the adapter.◦ Ensure it is not covered or in an enclosed space.◦ If it continues to overheat, discontinue use.

8. SPECIFICATIONS

Model	MPKKE AC Adapter (Compatible with GrandStream BT-100, Budge Tone 101/102)
Input Voltage	AC 100V - 240V, 50-60Hz
Output	<i>(Specific output voltage/current not provided in product data, assuming standard for compatible devices)</i>
Connector Type	DC Barrel Connector (2 Pin AC input)
Special Feature	Travel-friendly design
ASIN	B0BV6G55DF
