Muzen MW-PVEI

Muzen Wild GO Portable Bluetooth Speaker

Model: MW-PVEI

INTRODUCTION

The Muzen Wild GO is a compact and robust portable Bluetooth speaker designed for outdoor and travel use. Featuring IPX5 water resistance, a durable metal build, and powerful audio output for its size, it offers a reliable and enjoyable listening experience. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your Wild GO speaker.

WHAT'S IN THE BOX

Please verify that all items listed below are included in your package:

- Wild Go Speaker x1
- Manual x1
- Type-C Charger x1

PRODUCT OVERVIEW AND CONTROLS

The MuZen Wild GO speaker is designed for intuitive operation with its accessible controls and durable construction.

Great One hand Operate

Controls are simple and intuitive, easy to activate with one hand. Thanks to the variety of knob shapes and directions, you can choose to enjoy your favorite music.

Image: The top of the Muzen Wild GO speaker, highlighting the volume and track control knobs for easy adjustment.

- **Volume Knob:** Rotate to adjust the audio volume.
- **Track Knob:** Rotate to switch between tracks.
- **Power Button:** Located on the side or back, used to turn the speaker on or off.
- **Charging Port:** Type-C port, sealed for water resistance.

Multiple Security Protection

The coating waterproof technology on solid metal surface, rubber anti-slip strip on back, sealed charging port allow you to use it casually.

Image: The Muzen Wild GO speaker being splashed with water, illustrating its IPX5 waterproof and dustproof capabilities. The speaker features IPX5 water resistance, meaning it can withstand splashes and light rain, making it suitable for outdoor environments. Its metal construction and rubber anti-slip strip enhance durability and grip.

SETUP

Charging the Speaker

Before first use, fully charge your Muzen Wild GO speaker. Use the included Type-C charging cable.

1. Locate the Type-C charging port, typically sealed with a rubber flap for protection.
2. Open the flap and connect the Type-C cable to the speaker.
3. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
4. The charging indicator light will illuminate. It will turn off or change color once fully charged.

A full charge provides up to 8 hours of playback time.

Bluetooth Pairing

Pair your Muzen Wild GO speaker with your Bluetooth-enabled device to begin audio playback.

1. Ensure the speaker is charged and powered on.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices. The speaker will appear as "MUZEN-WILD GO".
4. Select "MUZEN-WILD GO" to connect. A confirmation sound will indicate successful pairing.

The speaker has a Bluetooth range of up to 33 feet (10 meters).

OPERATING INSTRUCTIONS

Power On/Off

- To power on, press and hold the power button until you hear a startup sound.
- To power off, press and hold the power button until you hear a shutdown sound.

Audio Playback

- Once paired, audio from your device will automatically play through the speaker.
- Use the volume knob on the speaker to adjust the output volume.

- Use the track knob to skip forward or backward through your playlist.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the speaker with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, ensuring the charging port flap is securely closed. Do not use harsh chemicals or abrasive cleaners.
- **Water Resistance:** The IPX5 rating protects against splashes and light rain. Do not submerge the speaker in water. Ensure the charging port flap is always sealed when not charging, especially in wet environments.
- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. If storing for an extended period, charge the battery to about 50% and recharge every few months.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
No sound from speaker	Speaker is off; Low battery; Not paired; Volume too low.	Ensure speaker is on; Charge speaker; Re-pair device; Increase speaker and device volume.
Cannot pair with device	Speaker not in pairing mode; Device Bluetooth off; Too far from speaker.	Ensure speaker is on and discoverable; Turn device Bluetooth off/on; Move device closer to speaker (within 33 ft).
Short battery life	Not fully charged; High volume usage.	Ensure speaker is fully charged; Reduce volume for longer playback.
Sound distortion/crackling	Volume too high; Weak Bluetooth signal; Obstructions.	Lower volume; Move device closer to speaker; Remove obstructions between device and speaker.

SPECIFICATIONS

Feature	Detail
Model Name	Wild Go
Item Model Number	MW-PVEI
Brand	Muzen
Color	Light White
Material	Metal
Product Dimensions	2.97"D x 1.39"W x 2.32"H
Item Weight	6.6 ounces (187 Grams)
Speaker Type	Woofer
Speaker Size	36 Millimeters
Speaker Maximum Output Power	5 Watts
Frequency Response	18 KHz
Signal-to-Noise Ratio	80 dB
Impedance	4 Ohm
Wireless Communication Technology	Bluetooth
Bluetooth Range	10 Meters (33 feet)
Battery Life	8 Hours
