Controls

Image: A close-up view of the headset's control panel, featuring volume up/down buttons and a central multi-function button.

- **Multi-function Button (Blue):** Power On/Off, Play/Pause, Answer/End Call, Voice Assistant activation.

- **Volume Up (+) Button:** Increase volume, Next track (long press).
- **Volume Down (-) Button:** Decrease volume, Previous track (long press).
- **Mute Button:** Mute/unmute microphone during a call.
- **Microphone:** Flexible boom microphone with CVC8.0 noise cancellation.
- **Charging Port:** Type-C port for charging.

SETUP

1. Charging the Headset

Before first use, fully charge the headset. Connect the provided Type-C charging cable to the headset's charging port and a USB power source. The LED indicator will show charging status.

- **Charging Time:** Approximately 3.5 hours for a full charge.
- **Battery Life:** Up to 35 hours talk time, 60 hours music playback.

Image: The Conambo JBT100 headset highlighting its battery performance with icons for charge time, talk time, and music time.

2. Powering On/Off

- **Power On:** Press and hold the Multi-function Button for 3 seconds until the LED indicator flashes blue.
- **Power Off:** Press and hold the Multi-function Button for 3 seconds until the LED indicator flashes red and then turns off.

3. Pairing with a Bluetooth Device

1. Ensure the headset is powered off.
2. Press and hold the Multi-function Button for 5-7 seconds until the LED indicator flashes red and blue alternately. This indicates pairing mode.
3. On your device (e.g., smartphone, tablet), enable Bluetooth and search for available devices.
4. Select "Conambo JBT100" from the list of devices.
5. Once connected, the LED indicator will flash blue slowly.

4. Multi-point Connection

The JBT100 supports connecting to two Bluetooth devices simultaneously.

1. Pair the headset with the first device as described above.
2. Disable Bluetooth on the first device.
3. Put the headset back into pairing mode (red and blue flashing LED).
4. Pair the headset with the second device.
5. Re-enable Bluetooth on the first device. The headset should automatically connect to both devices.

STABLE AND SIMULTANEOUSLY CONNECT TO 2 DEVICES

OPERATING INSTRUCTIONS

1. Making and Receiving Calls

- **Answer Call:** Press the Multi-function Button once.
- **End Call:** Press the Multi-function Button once during a call.
- **Reject Call:** Press and hold the Multi-function Button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function Button.

2. Adjusting Volume

- **Increase Volume:** Press the Volume Up (+) button.
- **Decrease Volume:** Press the Volume Down (-) button.

3. Mute Function

- During a call, press the dedicated Mute Button to mute or unmute the microphone.

4. Voice Assistant (Siri/Google Assistant)

Activate your device's voice assistant for hands-free control.

- **Activate:** Double-press the Multi-function Button when not on a call.

5. Music Playback

- **Play/Pause:** Press the Multi-function Button once.
- **Next Track:** Long press the Volume Up (+) button.
- **Previous Track:** Long press the Volume Down (-) button.

MAINTENANCE

Cleaning

Regularly clean your headset to maintain hygiene and performance.

- Use a soft, dry cloth to wipe the headset.
- Do not use harsh chemicals or abrasive materials.
- Avoid getting moisture into the charging port or microphone.

Storage

When not in use, store the headset in a cool, dry place away from direct sunlight and extreme temperatures.

Durability

The JBT100 headset is IP54-rated, offering protection against dust and splashes of water. This makes it suitable for various professional environments.

DUST AND WATER RESISTANCE IP54-rate durability
