3. SETUP INSTRUCTIONS

3.1 Attaching Your Phone

1. Gently extend the left side of the gamepad to accommodate your phone. The gamepad supports phone heights between 110mm and 179mm.
2. Align your Android phone's USB-C port with the gamepad's USB-C connector. The connector has 51

degrees of flexibility to assist with alignment.

3. Carefully insert your phone into the USB-C connector, ensuring a secure and stable connection.
4. Release the extended side of the gamepad, allowing it to firmly grip your phone.

5. MAINTENANCE

To ensure the longevity and optimal performance of your REDMAGIC Shadow Blade Gamepad, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the gamepad. Avoid abrasive cleaners or solvents.
- **Storage:** Store the gamepad in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid dropping the gamepad or subjecting it to strong impacts.
- **Connector Care:** Ensure the USB-C connector is free from dust and debris before connecting your phone.

6. TROUBLESHOOTING

6.1 Gamepad Not Recognized

- Ensure your phone's USB-C port is clean and the gamepad is securely connected.
- Restart your phone and try reconnecting the gamepad.
- Verify that your phone's operating system is Android and supports external controllers.

6.2 Buttons or Joysticks Not Responding

- Check in-game settings to ensure controller input is enabled and correctly mapped.
- Test the gamepad with another compatible game or device to isolate the issue.
- Ensure no physical obstructions are preventing button presses or joystick movement.

6.3 Phone Not Charging via Passthrough

- Verify that the charging cable and power adapter are functional.
- Ensure the charging cable is securely connected to both the gamepad's passthrough port and the power source.
- Some phones may require specific charging protocols; ensure your charger is compatible.
