ASSEMBLY INSTRUCTIONS

The HONEY JOY 8-in-1 Baby High Chair is designed for easy, tool-free assembly. Please refer to the included diagrams for visual guidance during the assembly process. Ensure all connections click into place securely.

1. Unpack all components and verify against the parts list (not provided in this manual, refer to packaging).
2. Connect the chair legs to the main seat unit or base as indicated for your desired configuration.
3. Attach the footrest (if applicable) and food tray by sliding them into their designated slots until they lock.
4. Insert the seat cushion and thread the safety harness through the appropriate openings.
5. Before first use, double-check all connections and ensure the chair is stable.

OPERATING MODES

This high chair offers 8 distinct modes to grow with your child:

1. **Full-Size Eating High Chair:** For feeding infants and toddlers at table height.
2. **Toddler Booster Seat:** Detach the lower legs to create a booster seat that can be strapped to an adult dining chair (straps included).
3. **Big Kids Table and Chair Set:** Convert the high chair into a separate table and chair for older children.
4. **Building Block Table and Chair Set:** Utilize the grooved tabletop for creative play with building blocks.
5. **Mini Feeding Chair with Food Tray:** A low-to-the-floor feeding option for younger children.
6. **Stand-Alone Floor Chair with Padded Cushion:** A comfortable chair for floor-level activities.
7. **Kids Chair:** A simple, sturdy chair for various uses.
8. **Individual Stool:** A small stool for children.

CLEANING AND MAINTENANCE

Regular cleaning ensures hygiene and extends the product's lifespan:

- **Food Tray:** The food tray is fully detachable and dishwasher safe for thorough cleaning.
- **Seat Cushion:** The double-layer cushion can be removed and wiped clean with a damp cloth and mild soap. Allow to air dry completely.
- **Plastic Components:** Wipe down all plastic surfaces with a damp cloth and mild soap. Avoid abrasive cleaners or solvents.
- **Harness Straps:** Clean harness straps with a damp cloth and mild soap. Ensure they are dry before re-using.
- Inspect the product periodically for any signs of wear, damage, or loose parts. Tighten or replace components as needed.

TROUBLESHOOTING

If you encounter any issues with your HONEY JOY 8-in-1 Baby High Chair, please refer to these common solutions:

- **Instability:** Ensure all legs are fully inserted and locked into place. Check that the product is on a flat, level surface.
- **Tray not attaching:** Verify that the tray is aligned correctly with the grooves and pushed firmly until it clicks into position. Ensure no food debris is obstructing the mechanism.
- **Harness difficult to adjust:** Check that the straps are not twisted. Refer to the assembly instructions for proper threading of the 5-point harness.
- **Difficulty converting modes:** Ensure all locking mechanisms are disengaged before attempting to change configurations. Apply gentle, even pressure.

If problems persist, please contact customer support for further assistance.
