2. SAFETY INFORMATION

Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all components away from infants and young children.
- **Recommended Age:** This building block set is recommended for individuals aged 15 years and up due to its complexity and the number of small pieces.
- **Handling:** Handle all pieces with care to avoid breakage or injury.
- **Disposal:** Dispose of packaging materials responsibly.

3. PACKAGE CONTENTS

The MISINI Technik FC4201 German Battleship Bismarck building block set includes:

- Approximately 2081 building block pieces.
- Detailed assembly instruction manual.
- Sticker sheet for additional detailing (if included).

Upon opening the package, verify that all components are present and undamaged. If any parts are missing or damaged, please refer to the "Warranty and Support" section.

4. SETUP: ASSEMBLY INSTRUCTIONS

Assembly of the MISINI FC4201 model requires careful attention to detail. Follow the included step-by-step instruction manual provided in the box.

1. **Preparation:** Unpack all building blocks and sort them by color, size, or type as indicated in the instruction manual. This will significantly aid the assembly process.
2. **Follow Steps:** Refer to the dedicated assembly manual for precise, illustrated instructions for each step. The manual is designed to guide you through the modular construction of the battleship.
3. **Piece Placement:** Ensure each piece is firmly connected to the corresponding part to ensure structural integrity of the model.
4. **Detailed Sections:** Pay close attention to the construction of intricate sections such as the hull, deck, and superstructure.

6. MAINTENANCE

To ensure the longevity and appearance of your MISINI FC4201 model:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.
- **Handling:** When moving the model, support it from the base or main hull structure to prevent delicate parts from breaking.

7. TROUBLESHOOTING

Common issues and their solutions:

- **Missing Pieces:** If you discover any missing pieces during assembly, please contact MISINI customer support with details of the missing parts. Refer to the "Warranty and Support" section for contact information.
- **Difficulty with Instructions:** If a particular step in the instruction manual is unclear, re-examine the illustrations carefully. Sometimes, reviewing previous steps or looking ahead can provide clarity. Online communities or forums dedicated to building blocks may also offer assistance.
- **Loose Connections:** Ensure all blocks are pressed firmly together. If a connection remains loose, check if the correct pieces are being used as per the instructions.
