2. **Attach Side Rails to Headboard and Footboard:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure but do not fully tighten yet.

MAINTENANCE

To maintain the appearance and longevity of your Albott King Size Platform Bed Frame, follow these care guidelines:

- **Regular Cleaning:** For the premium velvet upholstery, gently vacuum with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain.
- **Spot Cleaning:** For stubborn spots, use a mild, water-free solvent or dry-cleaning product. Always test on an inconspicuous area first. Do not use harsh chemicals or abrasive cleaners.
- **Frame Inspection:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary to maintain the bed's stability and prevent loosening over time.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the velvet fabric to fade. Position your bed away from direct sunlight or use curtains/blinds.
