SK SK11 Plus

SK11 Plus Smartwatch User Manual

Model: SK11 Plus | Brand: SK

1. Introduction

Thank you for choosing the SK11 Plus Smartwatch. This manual provides essential information to help you set up, operate, and maintain your device. Please read this manual carefully before use to ensure optimal performance and longevity of your smartwatch.

2. Package Contents

Please check the package for the following items:

- SK11 Plus Smartwatch
- Wireless Charging Cable
- User Manual

3. Product Overview

Familiarize yourself with the components of your SK11 Plus Smartwatch.

Image: The SK11 Plus Smartwatch showcasing two different watch faces: a digital sports-oriented display and a classic analog business display. Both watches feature a metallic strap.

Image: A close-up view of the SK11 Plus Smartwatch, highlighting its elegant business-style analog watch face with sub-dials and a metallic strap. The text 'NFC Access Control Simulation business smart watch' is visible in the background.

Key Components:

- **Touchscreen Display:** 1.32-inch TFT color display for interactive control.
- **Side Button/Crown:** Used for power on/off, menu navigation, and selection.
- **Sensors:** Located on the back for heart rate and blood oxygen monitoring.
- **Charging Contacts:** For wireless charging.

4. Setup

4.1 Charging the Smartwatch

1. Connect the wireless charging cable to a USB power adapter (not included).
2. Place the back of the smartwatch onto the charging pad. The watch will magnetically align.
3. The charging icon will appear on the screen, indicating that the watch is charging.
4. Allow approximately 2-3 hours for a full charge.

4.2 Power On/Off

- **Power On:** Press and hold the side button for a few seconds until the screen lights up.
- **Power Off:** Press and hold the side button, then select 'Power Off' on the screen.

4.3 App Installation and Pairing

To unlock the full features of your smartwatch, download and install the companion application.

1. Scan the QR code in the manual or on the watch screen (if available) or search for "SZ OS Watch" in your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Install the "SZ OS Watch" application.
3. Open the app and follow the on-screen instructions to create an account or log in.
4. Enable Bluetooth on your smartphone.
5. In the app, navigate to the device pairing section and search for your SK11 Plus Smartwatch.
6. Select your watch from the list to pair. Confirm the pairing request on both your phone and watch if prompted.

5. Operating Instructions

5.1 Basic Navigation

- **Swipe Up:** Access notifications.
- **Swipe Down:** Access quick settings (e.g., brightness, DND mode).
- **Swipe Left/Right:** Navigate through widgets and main functions (e.g., activity, heart rate).
- **Tap:** Select an item or open an application.
- **Press Side Button:** Return to the watch face or access the app menu.

5.2 Communication Features

- **Making Calls:** Once paired via Bluetooth, you can initiate calls directly from your watch using the dialer or contact list synced from your phone.
- **Answering Calls:** When a call comes in, you can answer or reject it from your watch screen.
- **Message Notifications:** Receive alerts for incoming messages (SMS, social media apps) directly on your watch.

5.3 Health and Fitness Tracking

- **Heart Rate Monitoring:** Access the heart rate function to measure your current heart rate. The watch can also track it continuously.
- **Blood Oxygen Monitoring:** Measure your blood oxygen saturation levels.
- **Sleep Tracking:** Wear the watch to bed to monitor your sleep patterns and quality.
- **Fitness Tracking:** Track steps, distance, calories burned, and various sports modes.

5.4 NFC Access Control Simulation

The SK11 Plus Smartwatch supports NFC access control simulation. Refer to the app for detailed instructions on how to set up and use this feature with compatible access systems.

6. Maintenance

6.1 Cleaning

- Wipe the watch screen and body with a soft, lint-free cloth.
- For stubborn stains, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

6.2 Water Resistance (IP68)

The SK11 Plus Smartwatch is rated IP68, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for daily use, hand washing, and light rain. However, it is not recommended for swimming, diving, or hot showers/saunas as steam and hot water can compromise the seal.

6.3 Storage

When not in use for extended periods, store the smartwatch in a cool, dry place. Charge it periodically to prevent deep discharge of the battery.

7. Troubleshooting

If you encounter issues with your smartwatch, refer to the following common solutions:

Problem	Possible Solution
Watch does not power on.	Ensure the watch is fully charged. Press and hold the side button for at least 10 seconds.
Cannot pair with smartphone.	Ensure Bluetooth is enabled on your phone. Restart both the watch and phone. Make sure the watch is not paired with another device. Check the app for pairing instructions.
Inaccurate health data.	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor area. Avoid excessive movement during measurements.
Notifications not received.	Check app permissions on your phone to allow notifications. Ensure the watch is connected via Bluetooth. Disable 'Do Not Disturb' mode on the watch.
Short battery life.	Reduce screen brightness, disable continuous heart rate monitoring if not needed, limit notifications, and ensure background app usage is optimized.

8. Specifications

Feature	Detail
Model Name	SK11 Plus

Feature	Detail
Display Type	TFT Color Touchscreen
Screen Size	1.32 inches (33 mm)
Screen Resolution	360x360 pixels
Operating System	Android Wear
Memory Storage Capacity	128 MB
Chipset	AC6954
Heart Rate Sensor	HRS3301
Battery Capacity	270 mAh
Connectivity Technology	Bluetooth, USB
Wireless Communication Standard	Bluetooth
Water Resistance Rating	IP68
GPS	No built-in GPS
Item Shape	Round
Strap Material Options	Silica Gel, Solid, Leather
Color	Black

9. Warranty and Support

For warranty information and customer support, please refer to the documentation provided at the time of purchase or contact your retailer. Keep your proof of purchase for any warranty claims.
