QUTANIX 5-in-1 Baby Bedside Bassinet & Playard User Manual

Model: B0BVLG8CSX

Brand: QUTANIX

IMPORTANT SAFETY INFORMATION

Please read all instructions before assembly and use of the QUTANIX 5-in-1 Baby Bedside Bassinet & Playard. Keep this manual for future reference. Failure to follow these warnings and instructions could result in serious injury or death.

- **Age and Weight Limits:** Suitable for babies from newborn up to 3 years old, or a maximum weight of 33 lbs (15 kg). Discontinue use of the bassinet feature when the infant begins to push up on hands and knees, or has reached 20 lbs (9 kg), whichever comes first.
- **Suffocation Hazard:** Infants can suffocate in gaps between an extra pad and the side of the bassinet/playard, or on soft bedding. Use ONLY the pad provided by the manufacturer. NEVER add a pillow, comforter, or another mattress for padding.
- **Fall Hazard:** To prevent falls, do not use this product when the infant begins to push up on hands and knees, or has reached 20 lbs (9 kg), whichever comes first.
- **Entanglement Hazard:** Strings can cause strangulation. NEVER place items with a string around a child's neck, such as hood strings or pacifier cords. NEVER suspend strings over a bassinet or playard or attach strings to toys.
- Ensure all locking mechanisms are securely engaged before placing a child in the product.
- Always use the safety straps when converting to bedside sleeper mode to securely attach the unit to the adult bed.
- The 360° breathable mesh sides are designed for air circulation and parental supervision.

SETUP INSTRUCTIONS

The QUTANIX 5-in-1 Baby Bedside Bassinet & Playard is designed for easy assembly without the need for tools. Follow these steps to set up your unit:

1. **Unfold the Frame:** Remove the playard frame from the carrying bag. Stand the unit upright and pull the center of the base upwards to begin unfolding.
2. **Lock the Rails:** Ensure all four top rails are fully extended and locked into place. You should hear an audible "click" for each rail. If a rail does not lock, pull the center of the base up again and try extending the rail until it locks.
3. **Press Down the Base:** Once all rails are locked, firmly press down the center of the playard base until it lies flat and is securely locked into position.
4. **Insert the Mattress Pad:** Place the provided soft-padded mattress into the bottom of the playard.

5. **Attach Bassinet Insert (if applicable):** For bassinet mode, attach the bassinet insert according to the instructions provided with the insert, ensuring all clips and supports are securely fastened. The bassinet insert is equipped with 3 support tubes and 2 grabbing buckles for stability.
6. **Attach Accessories:** Install the changing table, storage organizer, and music mobile with toy bar as desired, following their specific attachment instructions.

To disassemble for storage or transport, reverse these steps. Ensure the center of the base is pulled up before attempting to unlock the side rails. The unit can be disassembled to fit into the included tote bag.

OPERATING MODES

This versatile product offers multiple modes to accommodate your child's needs as they grow.

1. Bedside Bassinet Mode

Ideal for newborns and breastfeeding mothers, allowing your baby to sleep safely next to your bed.

- **Conversion:** Easily convert the playard into a bedside sleeper by unzipping and lowering one side.
- **Secure Attachment:** Position the bassinet right up against the adult bed. Fasten the two safety straps around the adult mattress or bed frame to ensure the bassinet remains securely in place.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and safety of your QUTANIX 5-in-1 Baby Bedside Bassinet & Playard.

Cleaning Instructions:

- **Fabric Components:** Hand wash only. Use mild soap and cold water. Do not bleach. Do not machine wash or tumble dry, as this may damage the fabric or structural integrity.
- **Frame and Plastic Parts:** Wipe clean with a damp cloth and mild soap. Dry thoroughly.
- **Mattress Pad:** Wipe clean with a damp cloth and mild soap. Allow to air dry completely before reinserting into the playard.

Storage:

- Ensure the playard and all its components are clean and completely dry before storing to prevent mold or mildew.
- Disassemble the unit as per the setup instructions in reverse.
- Store all components in the included carrying bag in a cool, dry place, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your QUTANIX 5-in-1 Baby Bedside Bassinet & Playard, refer to the common problems and solutions below:

Problem	Possible Cause	Solution
Playard will not lock into place.	Side rails are not fully extended or locked.	Ensure the center of the base is pulled up slightly. Firmly push down on each top rail until it clicks into place. Then, push the center of the base down until it locks.
Side rail will not unlock for folding.	The center of the base is still locked down.	Pull the strap in the center of the playard base upwards until the base is partially folded. Then, press the release buttons on the side rails to unlock them.
Bassinet insert feels unstable.	Support tubes or buckles are not properly secured.	Verify that all 3 support tubes are correctly inserted and the 2 grabbing buckles are firmly attached to the playard frame.
Wheels do not roll smoothly.	Brakes are engaged or debris is caught in the wheels.	Check that the wheel brakes are disengaged. Clean any lint or debris from around the wheel axles.
