4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Heybly HCT102SG Cat Tree. It is recommended to have a clear, spacious area for assembly. A power drill may expedite the process, but manual tools are provided.

1. **Step 1: Assemble the Base Cabinet.** Connect the side panels to the bottom panel using the designated screws. Ensure the magnetic door closures are correctly aligned.
2. **Step 2: Attach the First Platform.** Secure the first large platform to the top of the assembled base cabinet.
3. **Step 3: Install Scratching Posts and Condo.** Attach the lower scratching posts and the enclosed cat condo to the first platform.
4. **Step 4: Add Upper Platforms and Hammock.** Continue building upwards, securing additional platforms, the hammock, and remaining scratching posts.
5. **Step 5: Place Plush Beds and Feeding Bowl.** Position the plush beds on the designated platforms and insert the feeding bowl into its cutout.
6. **Step 6: Final Adjustments.** Ensure all screws are tightened and the unit is stable. Adjust the feet as needed to level the cat tree on uneven surfaces.

5. USAGE GUIDELINES

The Heybly HCT102SG Cat Tree offers multiple functionalities for your cat's well-being.

- **Litter Box Enclosure:** Place a standard-sized litter box inside the bottom cabinet. The side entrance allows your cat private access.
- **Food Station:** Use the removable bowl on the elevated platform for dry food or treats. This helps keep food separate from the litter area and away from other household pets.
- **Scratching Posts:** Encourage your cat to use the sisal-wrapped posts to satisfy their natural scratching instincts, protecting your furniture.
- **Resting and Play Areas:** Cats can climb, perch, and nap on the various platforms, in the hammock, or inside the cozy condo.

6. MAINTENANCE AND CLEANING

Regular cleaning and maintenance will extend the life of your cat tree and ensure a hygienic environment for your pets.

- **Surface Cleaning:** Wipe down all wooden surfaces with a damp cloth. The waterproof and wear-resistant material makes this easy.
- **Plush Components:** The top perches and pads are removable and washable. Hand wash or machine wash on a gentle cycle with mild detergent. Air dry completely before reattaching.
- **Feeding Bowl:** The removable feeding bowl should be washed regularly with soap and water.
- **Litter Box Area:** Regularly scoop and clean the litter box. Wipe the interior of the cabinet to maintain hygiene.
- **Scratching Posts:** Inspect sisal posts for wear. While durable, heavily used posts may eventually require replacement.
