Yaheetech 52" Storage Ottoman Bench Instruction Manual

Model: YTqq360001001

1. INTRODUCTION

Thank you for choosing the Yaheetech 52" Storage Ottoman Bench. This upholstered bench is designed to provide comfortable seating and convenient storage for your bedroom, living room, or entryway. Featuring a safety hinge for secure opening and closing, and constructed with sturdy materials, this ottoman is built for durability and functionality. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

2. SAFETY INFORMATION

- Do not exceed the maximum weight capacity of 661 lbs (300 kg) for the ottoman seating area.
- Do not exceed the maximum weight capacity of 66 lbs (30 kg) for the interior storage space.
- Do not stand inside the storage compartment for safe usage.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts and packaging materials away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Please check the package contents against the list below. If any parts are missing or damaged, please contact customer service.

- 1x Ottoman Body (with pre-installed lid and safety hinges)
- 2x Armrests
- 8x Screws (Type A)
- 8x Washers (Type B)
- 1x Allen Key (Type C)

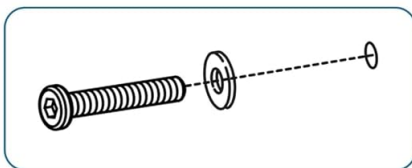

ASSEMBLY INSTRUCTIONS

1 Screw the right armrests

2 Screw the left armrests

3 Assembly finished

4. ASSEMBLY INSTRUCTIONS

Assembly of your Yaheetech Ottoman Bench is straightforward and requires minimal tools. Follow these steps for a smooth installation:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place the main ottoman body on a clean, soft surface to prevent scratches.

2. **Position the Ottoman Body:** Lay the main ottoman body on its side with the lid open, as shown in the diagram, to provide stability during armrest attachment.
3. **Attach the First Armrest:** Align one armrest (Part 2) with the pre-drilled holes on one side of the ottoman body. Ensure the rounded part of the armrest faces outwards. Insert four screws (Type A) with washers (Type B) through the holes from the inside of the ottoman body into the armrest. Hand-tighten the screws initially.
4. **Attach the Second Armrest:** Repeat the process for the second armrest on the opposite side of the ottoman body.
5. **Final Tightening:** Once both armrests are in place and all eight screws are hand-tightened, use the provided Allen key (Type C) to fully tighten all screws. Ensure they are snug but do not overtighten.
6. **Verify Stability:** Carefully stand the ottoman upright and check for stability. If any wobbling occurs, re-check the tightness of all screws.

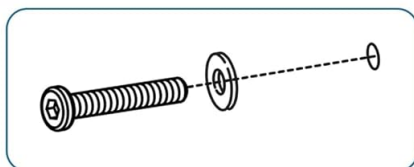

ASSEMBLY INSTRUCTIONS

1 Screw the right armrests

2 Screw the left armrests

3 Assembly finished

5. USAGE

The Yaheetech Storage Ottoman Bench is a versatile piece of furniture designed for various uses:

- **Seating:** Use it as a comfortable bench in your entryway for putting on or taking off shoes, as extra seating in your living room, or at the foot of your bed. The thick, high-density foam padding ensures a soft yet firm seating experience.
- **Storage:** The spacious interior compartment (56.83 liters) is ideal for storing blankets, pillows, books, magazines, or other household items, helping to keep your space tidy and organized. The safety hinge ensures the lid stays open securely and closes gently.
- **Decorative Accent:** Its modern design with button-tufted fabric and elegant armrests makes it a stylish addition to any room.

6. CARE AND MAINTENANCE

- **Cleaning:** The polyester fabric should be dry cleaned only. Do not use liquid cleaners or abrasive materials.
- **Spills:** For minor spills, blot immediately with a clean, dry cloth. Do not rub.
- **Dusting:** Regularly dust the fabric with a soft brush or vacuum with an upholstery attachment.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Inspection:** Periodically inspect all fasteners and connections to ensure they remain tight. Re-tighten if necessary.

7. TROUBLESHOOTING

- **Wobbling:** If the ottoman wobbles after assembly, ensure all screws are fully and evenly tightened. Loosen slightly, adjust the ottoman on a flat surface, and then re-tighten.
- **Lid not closing properly:** Check if any items in the storage compartment are obstructing the lid. Ensure the safety hinges are properly aligned and free from debris.
- **Difficulty with screws:** If screws are difficult to insert, ensure you are using the correct screws for the designated holes and that they are aligned straight. Do not force screws.
