4. CHARGING

Before first use, fully charge the earbuds and the charging case.

4.1 Charging the Earbuds

- Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
- The earbuds will automatically begin charging. A full charge takes approximately 1 hour.

4.2 Charging the Case

- Connect the provided USB Type-C charging cable to the charging port on the case and to a DC5V-1A power adapter.
- The charging indicator lights on the case will illuminate to show charging status. A full charge takes approximately 1.5 hours.
- **Caution:** Using incompatible USB cables or high-voltage chargers can damage the product and void the warranty. Always use DC5V-1A chargers and the USB cable included in the package.

The charging case provides up to 25 hours of total playtime with multiple charges. Each earbud offers approximately 4 hours of playback on a single charge.

Real-time power display

In the playback state , the remaining power of the headset can be displayed in real time on the mobile phone interface

Image: A smartphone screen displaying the real-time battery percentage of the connected earbuds, indicating convenient power monitoring.

Long-lasting lithium battery

45mAh high active lithium battery for sustainable use About
3 hours , Standby time is about 80 hours

Image: Earbuds resting in their charging case next to a smartphone playing music, illustrating the long-lasting lithium battery and extended usage.

5. SETUP AND PAIRING

The earbuds feature quick 1-step pairing and auto-reconnect functionality.

1. Initial Pairing:

- Open the charging case. The earbuds will automatically power on and enter pairing mode.
- On your device (smartphone, tablet, laptop), enable Bluetooth.
- Search for available Bluetooth devices and select "VEHOP Buds Mini" (or similar name) from the list.
- Once connected, you will hear a confirmation tone.

2. **Auto-Reconnect:** After initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case and Bluetooth is enabled on your device.

3. **Single Earbud Mode:** You can use either earbud independently. Simply take one earbud out of the case, and it will connect in mono mode.

6. OPERATING INSTRUCTIONS

The VEHOP Buds Mini feature intuitive touch controls for managing audio and calls.

Easy Controls

Multi-Function Button

- ▶ || Play/Pause Music
- 📞 Answer/End Call
- 📞✕ Reject A Call
- 🎤 Turn On Voice Assistant
- 🔇 Mute/Unmute
- 📞⬇️ Switch Between Two Calls
- ⇌ Switch From Earbuds to Device

Image: A visual guide to the multi-function touch controls on the earbuds, detailing actions for music playback, call management, and voice assistant activation.

6.1 Music Control

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.

6.2 Call Management

- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Mute/Unmute:** Triple tap on either earbud during a call.
- **Switch Between Two Calls:** Press and hold either earbud for 2 seconds during a call to switch to another incoming call.

6.3 Voice Assistant

- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.

One-button start SIRI Voice Assistant

One-click call to voice assistant, travel and listen to your instructions freely at any time

Image: A finger interacting with the touch sensor on an earbud, demonstrating the one-button activation for voice assistants like Siri.

6.4 Gaming/Movie Mode

The earbuds feature a dedicated Low Latency Gaming/Movie Mode for enhanced audio-video synchronization. Refer to your device's specific instructions for activating this mode, if available, or check for a specific touch control gesture in future updates.

7. WEARING THE EARBUDS

For optimal sound quality and comfort, ensure a snug fit.

- Gently insert the earbuds into your ear canal.
- Rotate them slightly until they feel secure and comfortable.
- The ergonomic design and lightweight nature of the earbuds help prevent them from falling out during activity.

Sports maniac Comfortable to wear

Ergonomically fits the ear canal deeply
to make the ear more comfortable
Prevent fall

8. MAINTENANCE

Proper care ensures the longevity of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX4 water/sweat resistant, meaning they can withstand splashes and sweat. Do not submerge them in water or expose them to heavy rain.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold).

9. TROUBLESHOOTING

If you encounter issues, try the following steps:

- **No Sound/Connection Issues:**
 - Ensure both earbuds and the charging case are fully charged.
 - Turn off and on your device's Bluetooth, then try pairing again.
 - Forget the device from your Bluetooth list and re-pair.
 - Ensure the earbuds are within the 10-meter wireless range of your device.
- **One Earbud Not Working:**
 - Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again.
 - Ensure both earbuds have sufficient charge.
- **Touch Controls Unresponsive:**
 - Ensure your fingers are clean and dry when using touch controls.
 - Restart the earbuds by placing them in the case and taking them out.
