Redmi L32R8-FVIN

Redmi 80 cm (32 inches) F Series HD Ready Smart LED Fire TV L32R8-FVIN User Manual

Model: L32R8-FVIN

INTRODUCTION

Welcome to the user manual for your new Redmi 80 cm (32 inches) F Series HD Ready Smart LED Fire TV. This guide provides essential information for setting up, operating, maintaining, and troubleshooting your television. Please read this manual thoroughly before using your TV to ensure optimal performance and safety.

WHAT'S IN THE BOX

Carefully unpack your new Redmi Smart Fire TV and ensure all items listed below are present:

- 1 x Redmi 80 cm (32 inches) F Series HD Ready Smart LED Fire TV
- 2 x Table Stand Bases
- 1 x Remote Control
- 4 x Screws for Stand Assembly
- 2 x AAA Batteries for Remote Control
- 1 x User Manual (this document)

Video: This video provides an overview of the Redmi 80 cm (32 inches) F Series HD Ready Smart LED Fire TV, highlighting its key features and what's included in the box.

SETUP

1. Attaching the Table Stand

1. Place the TV screen-down on a soft, flat surface to prevent damage.
2. Align the two table stand bases with the corresponding slots on the bottom of the TV.
3. Secure each stand base using the provided screws. Ensure they are tightened firmly.

2. Connecting Power

Plug the power cord into the TV's power input, then connect the other end to a suitable power outlet.

3. Initial Power On

Press the power button on the remote control or on the TV itself. Follow the on-screen instructions to complete the initial setup, including network connection and Fire OS configuration.
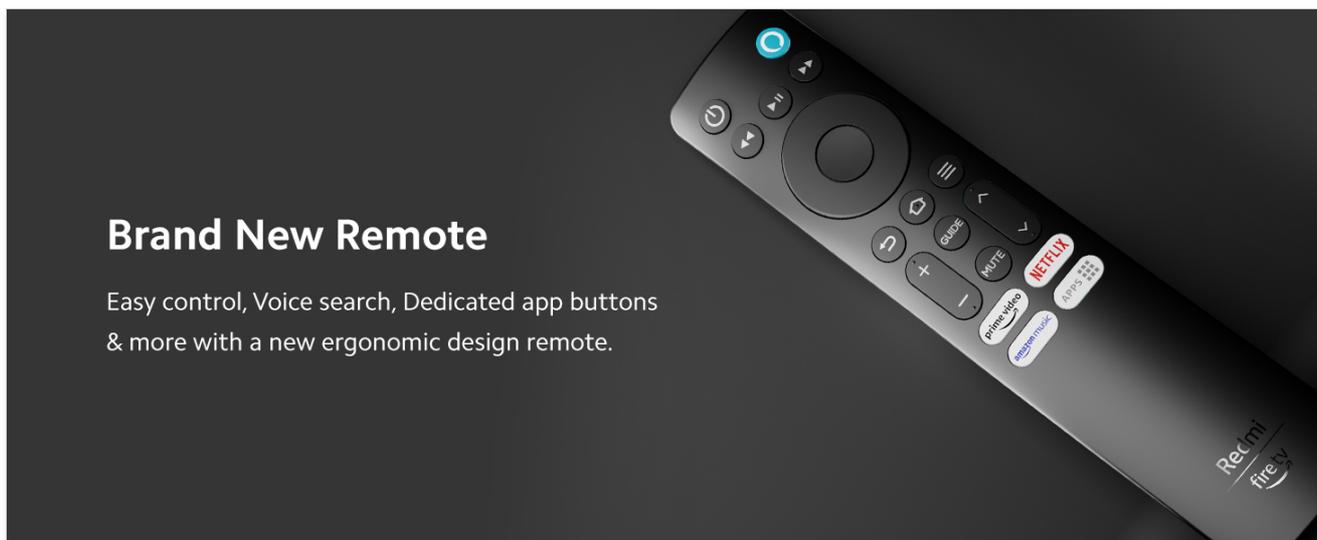

OPERATING YOUR TV

Remote Control

The Redmi Smart Fire TV comes with a new remote designed for intuitive control. It features:

- **Alexa Voice Control:** Press and hold the Alexa button to use voice commands for searching content, controlling smart home devices, and more.
- **Dedicated OTT App Buttons:** Quick access buttons for popular streaming services like Prime Video and Netflix.

- **Playback Controls:** Standard play, pause, rewind, and fast-forward buttons.
- **Guide Button:** Access the electronic program guide for live TV channels.
- **Mute Button:** Instantly mute or unmute the TV audio.

MAINTENANCE

Cleaning the TV

- Always unplug the TV before cleaning.
- Use a soft, dry cloth to wipe the screen and exterior surfaces.

- For stubborn marks, lightly dampen the cloth with water or a mild, non-abrasive screen cleaner. Never spray liquid directly onto the screen.
- Avoid using harsh chemicals, abrasive pads, or solvents as they can damage the TV's finish.

TROUBLESHOOTING

If you encounter any issues with your Redmi Smart Fire TV, please refer to the following common solutions:

- **No Power:** Ensure the power cord is securely plugged into both the TV and a working power outlet. Try a different outlet.
- **No Picture/Sound:** Check all cable connections (HDMI, AV). Ensure the correct input source is selected on the TV.
- **Remote Not Working:** Replace the batteries in the remote control. Ensure there are no obstructions between the remote and the TV.
- **Network Connection Issues:** Restart your Wi-Fi router. Go to the TV's network settings and try reconnecting to your Wi-Fi network.
- **App Freezing/Crashing:** Try restarting the app. If the issue persists, restart the TV.

For more complex issues, please refer to the online support resources or contact customer service.
