Instruction Manual

MOVEIS LOPAS APOGEU UPHOLSTERED DINING CHAIRS (SET OF 4)

Model: Apogeu | Brand: Moveis Lopas

1. Introduction

This manual provides essential information for the safe and proper use, maintenance, and care of your Moveis Lopas Apogeu Upholstered Dining Chairs. Please read this manual thoroughly before using the product and retain it for future reference.

2. Safety Information

- **Weight Capacity:** Each chair is designed to support a maximum weight of **120 kg (264 lbs)**. Do not exceed this weight limit to prevent damage or injury.
- **Stable Surface:** Always use the chairs on a flat, stable, and level surface to prevent tipping or instability.
- **Children:** Supervise children when they are using the chairs to ensure their safety.
- **Inspection:** Periodically inspect all components for wear, damage, or loose connections. Do not use the chair if any part is damaged or missing.

3. Product Overview

The Moveis Lopas Apogeu dining chairs are designed for comfort and durability, featuring a modern aesthetic suitable for various dining environments.

3.1. Features

- **Design:** Modern and sophisticated design.
- **Comfort:** Ergonomically designed with D23 foam in the seat and backrest for exceptional comfort.
- **Upholstery:** Beige fabric upholstery.
- **Construction:** Sturdy wooden frame and legs, made from 100% MDF with PVC finish on the feet.

- **Durability:** High resistance construction, designed for stability.

3.2. Components

The product includes:

- 4 x Apogeu Upholstered Dining Chairs

4. Setup and Assembly

The Moveis Lopas Apogeu dining chairs are delivered fully assembled. No additional assembly is required. Simply unpackage the chairs and place them in your desired location.

5. Usage and Operation

These chairs are intended for indoor use as dining or accent seating. Ensure the chairs are placed on a stable, level surface before use. Avoid standing on the chairs or using them for purposes other than seating.

6. Maintenance and Care

6.1. Cleaning the Upholstery

- **Regular Cleaning:** Vacuum the upholstery regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, following the product instructions. Test on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or solvents, as these can damage the fabric and color.

6.2. Cleaning the Wooden Frame and Legs

- **Dusting:** Wipe the wooden parts with a soft, dry cloth to remove dust.
- **Damp Cloth:** For more thorough cleaning, use a slightly damp cloth with a mild wood cleaner. Dry immediately with a clean, soft cloth.
- **Avoid Moisture:** Do not allow liquids to sit on the wood surface, as this can cause damage.

6.3. General Care

- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the upholstery and wood finish.
- **Heat Sources:** Keep chairs away from direct heat sources like radiators or fireplaces.
- **Moving Chairs:** When moving the chairs, lift them rather than dragging them to prevent damage to the legs and floor.

Image 2: Close-up details of the chair's beige fabric and the Amêndoa Clean wood finish, highlighting material quality.

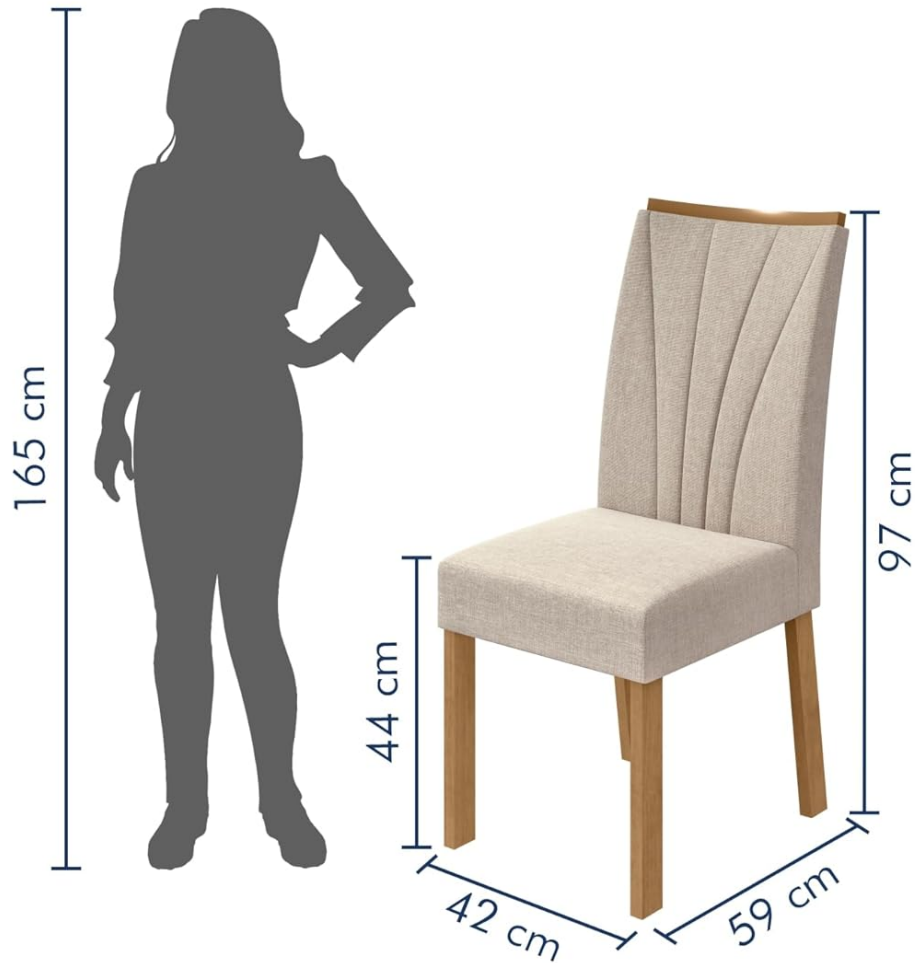

7. Troubleshooting

Problem	Possible Cause	Solution
Chair feels unstable or wobbly.	Uneven floor surface.	Move the chair to a flat, level surface.
Chair makes creaking noises.	Normal wood movement or minor joint friction.	Ensure the chair is on a level surface. If persistent, contact support.
Upholstery appears dirty or stained.	Accumulated dust or spills.	Refer to Section 6.1 for cleaning instructions.
