LUKHANG Blue Bouquet Building Blocks Set Instruction Manual

Model: 21088

1. INTRODUCTION

This manual provides detailed instructions for assembling and caring for your LUKHANG Blue Bouquet Building Blocks Set. This set allows you to construct a beautiful blue rose bouquet with a vase using mini building blocks, designed for individuals aged 14 and above. The finished model serves as an elegant decorative piece.

3. ASSEMBLY INSTRUCTIONS

Follow the numbered steps in the included physical instruction booklet to assemble your bouquet. Due to the small size of the blocks, it is recommended to work in a well-lit area and keep all pieces organized to prevent loss.

3.1. Vase Assembly

1. Begin by constructing the base of the yellow vase according to the diagrams.
2. Continue building upwards, ensuring each layer is securely connected.
3. Attach the decorative 'Rose' label to the front of the vase.

3.2. Flower Assembly (Blue Roses, Pink Rose, Purple Flowers)

1. Assemble the individual petals and core structures for each blue rose. Pay close attention to the curvature and layering to achieve the intended floral shape.
2. Construct the pink rose following the specific petal arrangement.

3. Assemble the smaller purple flowers and their connecting elements.

3.3. Stem and Arrangement

1. Attach the assembled flowers to their respective stems.
2. Insert the completed flower stems into the vase. The design allows for the block flowers to be disassembled from the vase if desired.

4. DISPLAY AND CARE

Once assembled, your LUKHANG Blue Bouquet is a durable decorative item. Place it on a stable surface away from direct sunlight to prevent potential discoloration over time.

4.1. Cleaning

To clean the blocks, gently wipe them with a dry, soft cloth. For more stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.

5. TROUBLESHOOTING

5.1. Missing Pieces

If you discover any missing pieces upon opening the package, please contact LUKHANG customer support with your purchase details and a description of the missing components. Refer to the parts list in your physical instruction booklet for identification.

5.2. Loose Connections

Due to the miniature size of the blocks, some connections may feel less secure than with larger building sets. Ensure each block is firmly pressed into place. If a section repeatedly comes apart, carefully re-examine the assembly steps for that section.
