

Vabches White

Vabches Vanity Desk with Mirror and LED Lights Instruction Manual

Model: White

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly, use, or maintenance of this product. Failure to follow these instructions may result in injury or damage to the product.

- Always unplug the vanity before assembly, usage, or cleaning.
- Keep electrical components dry and away from water.
- Be cautious of sharp edges and pinch points during assembly and usage.
- Do not place heavy objects on the vanity that could cause it to tip over.
- Always follow the assembly instructions carefully to avoid injury.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Components
- Mirror with 10 LED Lights

3. SETUP AND ASSEMBLY

The Vabches Vanity Desk requires assembly. Detailed step-by-step instructions and all necessary hardware are included in the package. Please follow the provided assembly manual carefully.

- Unpack all components and verify against the package contents list.
- Lay out all parts on a clean, soft surface to prevent scratches.
- Follow the numbered steps in the included assembly manual.
- Ensure all screws and fasteners are tightened securely for stability.
- Assembly typically takes several hours. A screwdriver is required and not included.

4. OPERATING INSTRUCTIONS

4.1 LED Mirror Lights

The vanity mirror features 10 LED lights with three adjustable lighting modes and brightness levels.

1. **Power On/Off:** Locate the touch sensor on the mirror to turn the lights on or off.
2. **Change Lighting Mode:** Tap the touch sensor to cycle through the three color modes: Cold White, Warm White, and Warm Yellow.
3. **Adjust Brightness:** Press and hold the touch sensor to dim or brighten the lights within the selected mode.

3 Lighting Effects & Adjustable Brightness

● Enhanced Brightness

● Diminish Brightness

4.2 Integrated Charging Station

The vanity desk includes a built-in power strip with two standard AC outlets and two USB ports for convenient charging.

- Ensure the vanity desk is properly plugged into a wall outlet.
- Plug your devices into the 125V/12A AC outlets or the 5V/2A USB ports.
- The power strip is designed for charging smartphones, tablets, and other small electronic devices.

4.3 Storage Drawers and Shelves

Utilize the two oversized drawers and six open shelves for organizing cosmetics and beauty supplies.

- Pull drawers open gently to access contents.
- Arrange items on open shelves for easy access and display.

5. MAINTENANCE

Proper care will extend the life and appearance of your Vabches Vanity Desk.

- **Cleaning:** Wipe surfaces with a dry cloth. For stubborn marks, use a slightly damp cloth and immediately dry with a clean, soft cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical sprays, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the white surfaces.
- **Electrical Components:** Ensure the power strip and LED lights remain dry. Do not immerse in water.
- **Hardware:** Periodically check and tighten all assembly hardware to maintain stability.

6. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common solutions:

- **Lights Not Working:**

- Ensure the vanity is properly plugged into a functional wall outlet.
 - Check if the power switch for the lights is turned on.
 - Verify that the touch sensor is clean and unobstructed.
- **Charging Station Not Functioning:**
 - Confirm the vanity's main power cord is securely plugged in.
 - Test the wall outlet with another device to ensure it is working.
 - Try different devices or charging cables to rule out device-specific issues.
- **Desk Instability:**
 - Re-check all assembly screws and tighten any loose connections.
 - Ensure the desk is placed on a flat, level surface.
- **Drawers Sticking:**
 - Ensure drawers are correctly aligned on their slides.
 - Check for any obstructions within the drawer slides.

If these steps do not resolve the issue, please contact Vabches customer support for further assistance.
