98K Reusable Water Balloons (Model 001)

Instruction Manual

INTRODUCTION

Thank you for choosing 98K Reusable Water Balloons. These innovative water toys are designed to provide endless fun while being environmentally friendly. Made from soft, high-quality silicone with magnetic self-sealing technology, they offer a convenient and sustainable alternative to traditional water balloons. This manual provides essential information for safe and enjoyable use.

PRODUCT FEATURES

- **Reusable & Eco-Friendly:** Constructed from soft, odor-free silicone, designed for over 1000 uses, reducing waste.
- **Instant Fill & Leak-Proof Seal:** Features patented magnetic Seal-Sealing Technology for quick filling and a secure, leak-proof closure.
- **Safe & Worry-Free Play:** Rigorously tested for tensile strength (U.S. SGS certified) with fully enclosed internal magnets for child safety.
- **Versatile Outdoor Fun:** Suitable for various outdoor settings including pools, beaches, and backyards.

PACKAGE CONTENTS

SETUP & FILLING INSTRUCTIONS

1. **Prepare Water Source:** Find a clean water source such as a bucket, sink, or pool.
2. **Open Balloon:** Gently pull the two halves of the water balloon apart to open it.
3. **Submerge to Fill:** Submerge the open water balloon completely into the water. The magnetic halves will automatically close and seal as water fills the interior.
4. **Ready for Play:** Once sealed, the water balloon is ready for use.

CARE & MAINTENANCE

- **Cleaning:** After use, rinse the water balloons with clean water to remove any dirt or debris.
- **Drying:** Allow the balloons to air dry completely before storing. The mesh bag provided can be used for drying and storage.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.

SAFETY INFORMATION

- **Age Recommendation:** Suitable for children aged 3 years and up. Adult supervision is recommended during play.
- **Material Safety:** Made from non-toxic, odor-free silicone. Internal magnets are fully enclosed to prevent exposure.
- **Impact Safety:** The soft silicone material is designed to minimize impact discomfort. Avoid throwing directly at faces or sensitive body parts.

- **Choking Hazard:** Keep away from very young children who may attempt to put small objects in their mouths.

TROUBLESHOOTING

- **Balloons not sealing:** Ensure the two halves are properly aligned and fully submerged in water during filling. Check for any debris obstructing the magnetic seal.
- **Balloons not splashing:** Ensure the balloons are adequately filled with water. The splash effect relies on the water contained within.
- **Damage:** If a water balloon becomes torn or damaged, discontinue use to prevent potential hazards.
