## OPERATING INSTRUCTIONS

### How to Play Lotto:

1. Players take turns flipping over one wooden token at random.
2. If the token shows an element that matches an item on their assembled puzzle board, the player places the token on their board.
3. The player continues to flip tokens as long as they find matches for their board.
4. If a player flips a token that does not match their board, their turn ends, and the next player takes a turn.
5. The first player to complete their puzzle board by matching all elements wins the Lotto game.

### **How to Play Memo:**

1. Players take turns flipping over two wooden tokens.
2. If the two tokens match (e.g., two apples, two butterflies), the player keeps the pair and continues

their turn by flipping two more tokens.

3. If the two tokens do not match, the player flips them back face down, attempting to remember their positions. Their turn then ends.
4. The game continues until all tokens have been matched and removed from the playing surface.
5. The player with the most pairs at the end of the game is the winner.

## MAINTENANCE

To ensure the longevity of your Goula The 3 Little Pigs Memo & Lotto game, follow these simple maintenance guidelines:

- **Cleaning:** Wipe game pieces with a dry or slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the wood or printed surfaces.
- **Storage:** Store all game components in their original box or a suitable container in a dry place, away

from direct sunlight and extreme temperatures. This prevents warping of wooden pieces and fading of colors.

- **Handling:** Handle wooden tokens and cardboard boards with care to prevent bending, scratching, or chipping.

## TROUBLESHOOTING

This game is designed for simplicity and durability. Should you encounter any issues, consider the following:

- **Missing Pieces:** Carefully check the game box and playing area. If a piece is genuinely missing upon unboxing, contact customer support.
- **Damaged Pieces:** If any pieces are damaged, especially if they pose a safety risk (e.g., splinters), discontinue use and contact customer support for assistance.
- **Difficulty Understanding Rules:** Re-read the "Operating Instructions" section. For younger children, adult supervision and guidance are recommended to help them grasp the game mechanics.
