2. SAFETY INFORMATION

Important: Securely attach the pergola to a stable foundation. Use caution when handling wood components during installation and maintenance due to the product's weight of approximately 350 pounds. Always ensure all fasteners are tightened correctly to maintain structural integrity.

- Always wear appropriate safety gear, including gloves and eye protection, during assembly.
- Ensure the assembly area is clear of obstructions and children.
- Do not attempt to assemble the pergola alone. A minimum of two to three adults is recommended.
- Inspect all parts for damage before assembly. Do not use damaged parts.
- Periodically check all bolts and screws for tightness, especially after strong winds or heavy weather.
- Do not hang excessively heavy items from the pergola beams.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

5. SETUP AND ASSEMBLY

Follow these steps for a successful assembly of your VEIKOU Cedar Pergola. Refer to the included manual for detailed diagrams and hardware lists.

1. **Prepare the Foundation:** The pergola is designed for installation on cement, concrete, or wooden floors. Stakes are included for dirt ground installation, but it is **not recommended** to install on stone or any type of paver as they can lift. Ensure the ground is level and stable.

6. OPERATION

Your VEIKOU Cedar Pergola is designed to enhance your outdoor living space, providing a versatile area for relaxation and entertainment. It offers an open view and can be customized with various accessories.

- **Shade and Comfort:** The slatted roof provides partial shade, making your outdoor area more comfortable during sunny days.
- **Decoration:** The overhead beams are suitable for hanging lightweight decor, additional shade covers, plants, or lighting to personalize your space.
- **Versatile Use:** Ideal for decks, yards, grill areas, parties, or gardens, extending your indoor living to the outdoors.

7. MAINTENANCE

To ensure the longevity and appearance of your cedar pergola, regular maintenance is recommended.

- **Cleaning:** Clean the cedar wood periodically with a mild soap and water solution. Avoid harsh chemicals or abrasive cleaners that can damage the wood finish.
- **Staining/Sealing:** The pergola is crafted from cedar with a weather-resistant stain. For added longevity and protection against harsh weather conditions, applying an extra water-based stain or sealant annually is highly recommended.

- **Inspection:** Regularly inspect the structure for any loose bolts, screws, or signs of wear. Tighten fasteners as needed. Check for any cracks or splinters in the wood and address them promptly.
- **Weather Protection:** While the cedar is moisture-resistant and designed to withstand strong winds (up to 80 MPH), consider additional protection or temporary disassembly in extreme weather conditions if possible.

8. TROUBLESHOOTING

If you encounter any issues with your pergola, refer to the following common problems and solutions:

- **Pergola feels unstable:**

Solution: Ensure all posts are securely anchored to the ground. Re-check all bolts and screws for tightness. Verify that the installation surface is level.

- **Wood appears discolored or weathered:**

Solution: This is natural for outdoor wood. Apply a fresh coat of water-based stain or sealant to restore color and protection.

- **Difficulty during assembly:**

Solution: Review the instruction manual carefully, paying close attention to diagrams. Ensure you have all necessary tools and assistance. Contact customer support if you are still experiencing difficulties.

9. WARRANTY AND SUPPORT

VEIKOU products are designed for quality and durability. While specific warranty details are not provided in this document, general customer support and return policies apply.

- **Returns:** This product typically includes a 30-day easy return policy. Please refer to your purchase documentation for specific terms.
- **Customer Support:** For any questions, missing parts, or assistance, please contact the seller or VEIKOU customer service.
