Karlsson Pendulum Modern Wall Cuckoo Clock User Manual

Model: PTG-KA5768LB

INTRODUCTION

Thank you for purchasing the Karlsson Pendulum Modern Wall Cuckoo Clock. This manual provides essential information for the setup, operation, and maintenance of your new clock. Please read it thoroughly before use to ensure proper functionality and longevity of the product.

This clock features a minimalist bird box-style design with a moving pendulum and a cuckoo that tweets on the hour. It includes a quiet mode for night time and adjustable volume levels for the cuckoo sound.

PRODUCT OVERVIEW

Front view of the Karlsson Pendulum Modern Wall Cuckoo Clock. This image highlights the minimalist design, the clock hands, the Karlsson brand name, and the pendulum. The cuckoo bird opening is visible at the top.

The Karlsson Cuckoo Clock displayed on a wall in a contemporary setting. This image provides a sense of scale and how the clock integrates into home decor, positioned above a side table with a lamp and floral arrangement.

Key Features:

- Modern minimalist design with a soft blue finish.
- Functional pendulum for aesthetic appeal.
- Hourly cuckoo sound with adjustable volume (three levels).
- Automatic night mode: Cuckoo stops singing from 10 PM to 5 AM.
- Compact dimensions: H 40 cm / W 23 cm / D 9 cm.
- Battery operated: Requires 3x AA batteries (not included).

SETUP

Unpacking:

Carefully remove the clock from its packaging. Inspect for any damage. Retain packaging for future transport or storage.

Battery Installation:

1. Locate the battery compartment on the back of the clock.
2. Insert 3x AA batteries, ensuring correct polarity (+/-).
3. Close the battery compartment cover securely.

Time Setting:

1. Turn the time setting knob (usually located on the back or side) clockwise to set the correct time.
2. Ensure the cuckoo mechanism aligns with the hour. If the cuckoo sounds at the wrong hour, adjust the time forward until it aligns.

Mounting:

The clock is designed for wall mounting. Use appropriate hardware (not included) for your wall type to securely hang the clock. Ensure it is level for optimal pendulum operation.

OPERATING INSTRUCTIONS

Cuckoo Sound Operation:

The cuckoo bird will emerge and sing on the hour. The volume can be adjusted using the control switch, typically located on the side or back of the clock. There are three volume levels available.

Close-up of the cuckoo bird in its opening. This image illustrates the mechanism responsible for the hourly chime.

Night Mode:

The clock features an automatic night mode. The cuckoo sound will automatically cease between 10:00 PM and 5:00 AM to ensure undisturbed sleep.

Pendulum:

The pendulum is for decorative purposes and provides a gentle swinging motion. Ensure it is free to swing without obstruction.

MAINTENANCE

Cleaning:

Wipe the clock surface with a soft, dry cloth. Do not use abrasive cleaners or solvents, as these may damage the finish.

Battery Replacement:

Replace batteries when the clock hands slow down or the cuckoo sound becomes faint or stops. Always replace all batteries at the same time with new ones of the same type.

Storage:

If storing the clock for an extended period, remove the batteries to prevent leakage and damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Clock not keeping time / Cuckoo not sounding.	Dead or low batteries; Incorrect battery installation.	Replace batteries with new ones, ensuring correct polarity.
Cuckoo sounds at the wrong hour.	Time not synchronized with cuckoo mechanism.	Advance the clock hands clockwise until the cuckoo sounds at the correct hour.
No cuckoo sound during the day.	Volume set to minimum; Night mode active (if time is between 10 PM and 5 AM).	Adjust volume control; Check the current time to ensure it's outside night mode hours.
Pendulum not swinging.	Obstruction; Not properly attached.	Ensure no objects are blocking the pendulum's path; Re-attach pendulum securely.

SPECIFICATIONS

- **Brand:** Karlsson
- **Model Number:** PTG-KA5768LB
- **Colour:** Soft Blue
- **Product Dimensions:** 30.6 x 3.81 x 23.7 cm; 760 g (H 40 cm / W 23 cm / D 9 cm as per description)
- **Special Feature:** Hourly Chime
- **Power Source:** Battery Powered
- **Batteries Required:** 3x AA (not included)

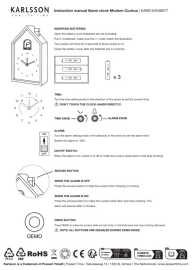

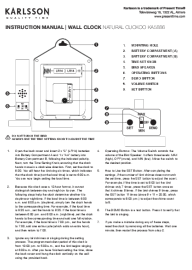

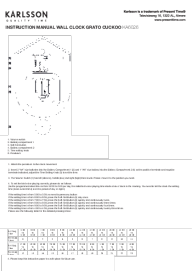

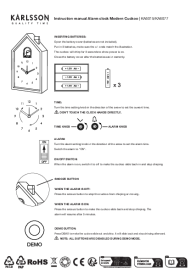

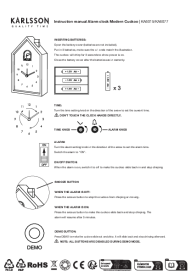

WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the retailer where the product was purchased or visit the official Karlsson website. Keep your proof of purchase for warranty claims.
