MLILY TTF-S

MLILY Tri-Fold Memory Foam Mattress

MODEL: TTF-S

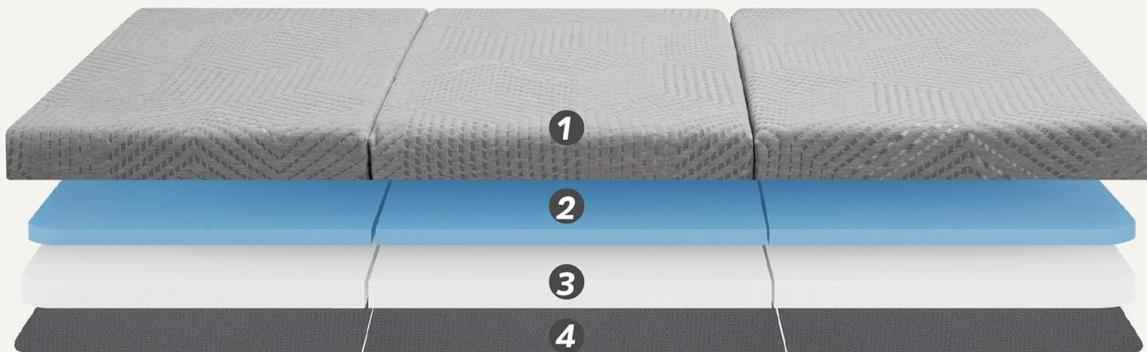

Introduction

This instruction manual provides essential information for the proper setup, use, and maintenance of your MLILY Tri-Fold Memory Foam Mattress, Model TTF-S. Designed for versatility and comfort, this mattress offers a convenient sleeping solution for guests, travel, or as a portable mat. Please read this manual thoroughly before initial use and retain it for future reference.

Product Features

- **Tri-Fold Design:** Allows for easy folding, storage, and transport, making it ideal for temporary sleeping arrangements.
- **Memory Foam Construction:** Features a combination of 1.5-inch Gel AeroFusion Memory Foam for contouring comfort and temperature regulation, and 2.5-inch Flex Support Base Foam for robust support and separation from the floor.
- **Washable Cover:** Equipped with a removable and washable cover for convenient cleaning and hygiene.
- **CertiPUR-US Certified:** The memory foam meets rigorous standards for content, emissions, and durability, ensuring it is free from harmful chemicals.
- **Versatile Use:** Suitable for various applications including guest beds, camping, RVs, yoga, or as a floor mat.

A PLEASANT FEELING TO USE WITH LIGHT AND COMFORTABLE LAYERS

1 Jacquard Fabric Cover

Comfort Breathable Wearproof

2 Gel AeroFusion Memory Foam

Contouring and conforming to the sleeper

3 Flex Support Base Foam

Provide good support

4 Non-Slip Sole

Non-slip and with hidden zipper

Image Description: This diagram illustrates the internal structure of the mattress. It shows four distinct layers: 1) Jacquard Fabric Cover, 2) Gel AeroFusion Memory Foam, 3) Flex Support Base Foam, and 4) Non-Slip Sole with a hidden zipper.

Each layer is labeled with its function.

Setup and Unboxing

Your MLILY Tri-Fold Memory Foam Mattress is delivered compressed and rolled in a box. Follow these steps for initial setup:

- 1. Unbox:** Carefully remove the mattress from its packaging. Avoid using sharp objects that could damage the fabric.
- 2. Unroll:** Place the compressed mattress on a clean, flat surface and unroll it.
- 3. Expand:** Allow the mattress to expand fully. This process typically takes 24 to 48 hours, though it may vary based on room temperature and humidity. The mattress will reach its intended dimensions and firmness during this time.
- 4. Enjoy:** Once fully expanded, your mattress is ready for use.

Image Description: This image displays a four-step visual guide for setting up the mattress. It shows the mattress being unboxed, unrolled, expanding over time, and finally, ready for use.

Operating and Usage

The tri-fold design offers flexibility for various uses:

- **Unfolding:** To use as a full mattress, simply lay it flat on the floor or a suitable surface. Ensure all three sections are fully extended.
- **Folding for Storage:** Fold the mattress into three sections. The compact size allows for easy storage in closets, under beds, or in vehicles.
- **Folding for Seating:** The mattress can be folded into a cube shape to serve as a temporary seat or ottoman.

Image Description: A woman is shown sitting comfortably on the floor next to the MLILY Tri-Fold Memory Foam Mattress, which is partially folded into a seating position. This demonstrates the mattress's versatility for both sleeping and lounging.

Image Description: This image illustrates multiple ways the mattress can be used, including for yoga, camping, and as a sofa. A woman is shown lying on the unfolded mattress, with smaller circular insets depicting other uses.

Care and Maintenance

Proper care will extend the life of your MLILY Tri-Fold Memory Foam Mattress:

- **Cover Cleaning:** The mattress cover is removable and washable. Hand wash only. Do not bleach. Air dry thoroughly. Ensure the cover is completely dry before placing it back on the foam.
- **Foam Care:** The memory foam core should not be washed. If the foam becomes soiled, spot clean with a mild detergent and water, then allow it to air dry completely away from direct sunlight or heat.
- **Ventilation:** Periodically air out the mattress to maintain freshness and prevent moisture buildup.
- **Protection:** Consider using a mattress protector to shield the foam from spills and stains, especially during outdoor use.

Troubleshooting

Here are solutions to common concerns:

- **New Product Odor:** A faint odor, often referred to as "new foam smell," is normal and harmless. It will dissipate within a few days of unboxing and airing out the mattress in a well-ventilated area.
- **Incomplete Expansion:** If the mattress does not fully expand within 48 hours, ensure it is in a warm room (above 65°F / 18°C) and has ample space to breathe. Continued lack of expansion may indicate an issue; refer to warranty information.
- **Firmness Perception:** Memory foam mattresses adapt to body heat and pressure. Initial firmness may feel different until the foam adjusts to your body.

Specifications

Feature	Detail
Product Dimensions (Unfolded)	75"L x 25"W x 4"Th (Small Single)
Product Dimensions (Folded)	25"L x 25"W x 12"Th (Small Single)
