Hape Pull Along Elephant Toy Instruction Manual

Model: E0916

INTRODUCTION

The Hape Pull Along Elephant is a wooden animal toy designed to encourage walking and imaginative play for children aged 12 months and up. This charming blue elephant features rubber-rimmed wheels and a sturdy pull string, allowing it to follow along as your child explores. Its design promotes balance, coordination, and sensory development through playful movement and soft fabric ears.

SETUP

The Hape Pull Along Elephant toy comes fully assembled and ready for play. No additional setup or battery installation is required.

1. Remove the toy from its packaging.
2. Ensure the pull string is securely attached to the elephant.
3. The toy is now ready for use.

OPERATING INSTRUCTIONS

This pull along toy is designed for simple and engaging play, encouraging physical activity and imaginative scenarios.

1. **Pulling the Toy:** Hold the string attached to the front of the elephant. Gently pull the string to make the elephant roll forward on its wheels.
2. **Encouraging Walking:** As your child begins to walk, they can pull the elephant behind them, enhancing their sense of balance and coordination.
3. **Sensory Engagement:** The elephant's soft fabric ears provide a tactile element, while its playful movements stimulate visual and auditory senses.
4. **Imaginative Play:** Encourage your child to interact with the elephant as a companion, fostering

creativity and storytelling.

MAINTENANCE

Proper care will ensure the longevity of your Hape Pull Along Elephant toy.

- **Cleaning:** Wipe the wooden surfaces with a damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** Allow the toy to air dry completely after cleaning. Do not immerse in water.
- **Storage:** Store the toy in a dry place away from direct sunlight and extreme temperatures to prevent warping or fading of the wood.
- **Inspection:** Regularly check the wheels and pull string for wear and tear.

TROUBLESHOOTING

If you encounter any issues with your Hape Pull Along Elephant, consider the following:

- **Toy Not Rolling Smoothly:** Check the wheels for any debris, hair, or obstructions that might be hindering movement. Ensure the wheels are clean and free to rotate.
- **Pull String Damage:** If the pull string shows signs of fraying or damage, discontinue use and contact Hape customer support for guidance.
