Ikea HEMNES Mirror Cabinet User Manual

Model: IK.702.176.71 | Brand: Ikea

PRODUCT OVERVIEW

The Ikea HEMNES Mirror Cabinet is designed to optimize space above your sink, offering both storage and a functional mirror. It features a classic design from the HEMNES series, ensuring it complements various bathroom aesthetics.

Key features include:

- Integrated safety film on the mirror to reduce injury risk in case of breakage.
- Adjustable shelves made of tempered glass, providing high resistance to heat and impact, and strong load capacity.
- Single door design for convenient access to stored items.

SETUP AND INSTALLATION

This mirror cabinet is designed for wall mounting. Proper installation is crucial for safety and stability. It is recommended to have two people for assembly and mounting.

Tools Required:

- Drill
- Spirit level
- Measuring tape
- Pencil
- Screwdriver (Phillips head)
- Wall plugs and screws suitable for your wall material (not always included, check packaging)

Installation Steps:

1. **Unpack and Inspect:** Carefully unpack all components and check against the parts list in the included assembly instructions. Ensure no parts are damaged.
2. **Assemble Cabinet Frame:** Follow the detailed graphical instructions provided in the product packaging to

assemble the main cabinet frame. Secure all screws firmly but do not overtighten.

- 3. **Determine Mounting Location:** Choose a suitable wall location, ensuring it is clear of electrical wires and plumbing. Use a spirit level to mark the desired height and horizontal alignment for the mounting points.
- 4. **Drill Pilot Holes:** Drill pilot holes at the marked locations, using a drill bit appropriate for your wall material and the chosen wall plugs.
- 5. **Insert Wall Plugs:** Insert the appropriate wall plugs into the drilled holes.
- 6. **Attach Mounting Hardware:** Secure any wall mounting brackets or screws (as per instructions) into the wall plugs.
- 7. **Mount Cabinet:** Carefully lift the assembled cabinet and align it with the wall mounting hardware. Secure the cabinet to the wall. Ensure it is level and stable before proceeding.
- 8. **Install Door and Shelves:** Attach the mirror door using the provided hinges. Adjust hinges as necessary for proper alignment. Insert the tempered glass shelves into the desired positions using the shelf pins.

OPERATING INSTRUCTIONS

Using your HEMNES mirror cabinet is straightforward.

- **Opening/Closing the Door:** Gently pull the handle to open the mirrored door. Push the door back until it closes securely.
- **Adjusting Shelves:** The tempered glass shelves are adjustable. To reposition a shelf, carefully lift it off its pins, remove the pins from their current holes, insert them into the desired new holes, and then place the shelf back onto the pins. Ensure all four pins are securely in place before placing items on the shelf.
- **Storage:** Utilize the interior shelves for organizing bathroom essentials such as toiletries, cosmetics, and small towels. The open bottom shelf provides easy access for frequently used items.

MAINTENANCE AND CARE

Regular cleaning and proper care will help maintain the appearance and longevity of your mirror cabinet.

- **Cleaning the Mirror:** Wipe clean with a damp cloth and a mild cleaner. Wipe dry with a clean cloth. Avoid abrasive cleaners or scouring pads, as these can scratch the mirror surface.
- **Cleaning the Cabinet Frame:** Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth. Do not use strong chemicals or solvents.
- **Glass Shelves:** The tempered glass shelves can be removed for thorough cleaning. Wash with warm soapy water, rinse, and dry completely before reinserting.
- **Moisture:** While designed for bathroom use, avoid prolonged exposure to excessive moisture. Wipe up any spills immediately.

TROUBLESHOOTING

Here are some common issues and their solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Door does not close properly or is misaligned.	Hinges are loose or out of adjustment.	Tighten hinge screws. Adjust hinge screws to align the door. Refer to the original assembly instructions for detailed hinge adjustment.
Cabinet feels wobbly on the wall.	Improper wall mounting or loose wall fixings.	Ensure wall plugs and screws are appropriate for your wall type. Tighten all mounting screws. If necessary, remove and re-mount the cabinet using stronger fixings.
Mirror surface is streaky after cleaning.	Residue from cleaner or improper drying.	Use a clean, lint-free cloth for drying. Try cleaning with just water and a microfibre cloth, or a specialized glass cleaner.
Shelves slide or are not stable.	Shelf pins not fully inserted or missing.	Ensure all four shelf pins are fully inserted into the cabinet holes and the shelf rests securely on them.

SPECIFICATIONS

Feature	Detail
